Review of Recommended Timeline:

- Trustland Plans dates – more info as it is received.

Elect a Chair/Co-Chair:

- Chair: Mason Andersen volunteered, Kaitlyn Call seconded, and group approved.
- Co-Chair: Kaitlyn Call volunteered, several members seconded, and group approved.

Rules of Order and Procedure:

- Discussion and approval
- Kathy Christiansen will review these rules next month when she is able to attend the meeting.

Other:

- What concerns do parents have?
 - New school boundaries for year 2026-27 – discussion. Birch Creek is the second largest elementary school in the district currently. School will reduce to about 70% of their current capacity for next year. We are at capacity for classrooms this year. Currently we are using FTE money to fund aids who support grade level students and curriculum.
 - Could the boundary changes affect our Title One funding next year? We will wait to see our eligibility.
 - Teachers were surveyed for top three preferences for grade level and location for next year. New schools are on schedule for building completion.

- Amy McNeil will be the new Hyde Park Elementary school principal next year. Other principal changes will be determined in the next few months. Staff will be notified by January 2026 of their new assignments.
- Beginning of Year testing scores will be uploaded to PowerSchool when all schools are finished testing. Data may also be shared at Parent Teacher Conferences next week.

Meeting was adjourned.

The District Council Training will be on October 7th from 4:30-5:30 pm, and is a virtual meeting. The next in person meeting will be held October 28, 2025.
