Pattonville *Vision*

Caring community where all learners are valued, loved, respected, and regarded as our hope for today and the future.

Safe community where respect for self and others is demonstrated; where integrity and dignity guide behavior.

Learning community where all are challenged to excel. We see students as life long learners and problem solvers who are academically prepared for success and committed to excellence.

Interdependent community where unity among students, families, patrons and staff fosters learning, responsibility and an appreciation of the diverse individual.
