Virgin Islands Department of Education Thanks Witt O'Brien Foundation for Volleyball Equipment Donation

The Virgin Islands Department of Education (VIDE) proudly extends heartfelt gratitude to the Witt O'Brien Foundation for their generous donation of volleyball equipment to public schools across St. Thomas, St. John, and St. Croix.

This meaningful contribution highlights a shared commitment to student well-being, school culture, and community resilience. The new equipment will strengthen physical education programs, after-school activities, and recreational opportunities, ensuring that students benefit from both learning and playing.

The first distribution took place on September 30, 2025, at Ricardo Richards Elementary School on St. Croix. Additional deliveries are scheduled Territory-wide to schools in both districts in the coming weeks.

The volleyball equipment initiative is more than a gift, it's an investment in student health, teamwork, and wellness across our public schools. VIDE sincerely thanks the Witt O'Brien Foundation for helping us build stronger communities through education, sports, and resilience.
