

Dear Stephens County Schools Families,

In response to Georgia's new Literacy Legislation 538, and after a careful review process, Stephens County School System is excited to offer a rich and robust reading and language arts curriculum for your child for the 2025–26 school year!

*Wonders*, a McGraw Hill product, is designed to help students meet high academic standards and prepare them for future success. Teachers will use *Wonders* to help your child

- Master foundational skills of phonics, vocabulary, spelling, and word study
- Engage in the reading of complex text and identifying textual evidence
- Become proficient in academic writing
- Take part in daily academic conversations with peers

### **What will your child experience in class?**

In class, your child will be close reading, writing analytically, and practicing foundational skills using *Wonders* books and support materials.

Your child's teacher will use a gradual release of responsibility learning approach. First, the teacher will clearly explain and model the week's skills and strategies, then provide guided practice opportunities before prompting children to either work independently or to collaborate with their classmates.

Students will read and reread short, complex texts in the Reading/Writing Companion. They will learn to take notes, ask and answer text-dependent questions, and cite text evidence. Then, students will apply what they have learned as they read and reread the longer Anchor Texts and Leveled Readers.

### **What will your child experience at home?**

You and your child can access *Wonders* digital content online from home. Your child will receive an online account that will give you access to

- A weekly letter outlining what your child will be learning
- Messages from your child's teacher
- Homework assignments
- Digital copies of all *Wonders* resources
- Time for Kids® articles, games, and word and spelling list activities to do at home

Your child's teacher will provide more information about *Wonders* as we begin the school year.

Thank you, as always, for your involvement!

Sincerely,

Stephens County Schools Curriculum Department

Mrs. Brent Tuck, Ed. S.- Assistant Superintendent- Curriculum and Instruction
