Information/Updates from the South Advisory Council Meeting:

Meeting South Area Advisory- November 13, 2024:

1. Health Education Update- Dr. Jodi Washington- Curriculum based on State's Mandates- Grades K-2 mannequins have clothes and there is to be no mention of any body parts. The new curriculum removes female anatomy, and they adjusted some of the 6th grade curriculum to higher grades.
2. Staffing- Angine Tyghter, Director of Talent Acquisition- review classroom vacancies and interim subs recruitment- There are 9936 classroom teachers and 14,000 instructional employees. 154 total vacancies have been impacted by retirement and resignations and they should be under 1%. The district is trying to recruit teachers out of college and ESE instructors are the most difficult positions to fill.
3. School Improvement Timeline- Is found on Broward Schools website. Our SAC/SAF team is keeping up with deadlines and doing a great job.

Meeting South Area Advisory- December 18, 2024

1. PM1 and STAR Testing- PM1 data has been analyzed for the last three years. There has been bigger growth within the 4th and 5th grade classes. Parent on SAC states that the reports do not truly reflect the data correctly. South Area scores are the highest in district.
2. Performance Matters- Schools will start launching this in 2025 since it is a new platform for teachers to use as a data collection tool.

Meeting South Area Advisory- January 15, 2025

3. Code of Conduct- Reviewing current policies to separate some pages and have others stand alone.
4. Grades 3-12 shows that bullying is 3 characteristics which as are repeated, purposeful, imbalance of power.
