A SISTERS OF CHARITY OF LEAVENWORTH HIGH SCHOOL

Two Decades, One Mission.

Cristo Rey Kansas City is proud to celebrate 20 years of transforming lives through education, opportunity, and faith. Since opening our doors, we have empowered more than 1,500 students to dream bigger, work harder, and achieve more than they ever thought possible.

This milestone is not just a celebration of our past—it's an invitation to be part of our future. Join us as we celebrate two decades of impact and continue to build pathways to success for the students who will shape tomorrow.

20 Years of Cristo Rey Kansas City

Cristo Rey Kansas City opened its doors in August 2006 under the direction of Dick Miller and the Sisters of Charity of Leavenworth. They deeply believed in the mission of the Cristo Rey Network, and together, they made it a reality for Kansas City to have its very own Cristo Rey High School.

Sister Vickie Perkins became the first President of Cristo Rey and led the school through its first several years of success and establishment. The Sisters of Charity of Leavenworth are renowned for their admirable commitment to compassionate service, justice, and care for those in need. Through their dedication, they embody the spirit of selflessness and empowerment that aligns perfectly with our educational goals. Their support and guidance help us create an inclusive and nurturing environment where our students can thrive academically, spiritually, and socially.

Looking Forward for the Good that is Yet to be

Help us celebrate 20 years by following us on Social Media to stay up to date with all of the exciting things going on each month as we showcase and ignite our Cristo Rey community.

A huge thanks to our incredible partners at Avila for making this opportunity possible.
