FROM: District Administration

RE: Asbestos in School Buildings

DATE: October 15, 2025

This notice has been provided to District Parent, Teacher, and Employee Organizations by public posting and delivery to respective organization representatives in order to provide notification in accordance with Section 763.93 of the Asbestos In School Identification and Notification Rules (40 CFR Part 763) of the availability of the District Asbestos Management Plan. A copy of the inspections and assessments of asbestos containing materials and the complete District Management Plan is available at the central administrative offices. Additionally, copies of each individual school campus plan are available at the school administrative office for review. The plan will be maintained continually and notification of the availability of the plan will be issued annually.

Signed:

Bishop Consolidated I. S. D.
