

**March 5, 2024**

Dear Parents and Guardians,

**Welcome to Our Community School** – a place where education goes beyond the classroom walls.

What makes us special? We're not just a school; we're a hub for the entire community.

As a community school, Diamond Elementary offers a wide range of resources and services to meet the diverse needs of our students and families. From academic support and enrichment programs to health services and family engagement activities, we are committed to providing a holistic education that nurtures the whole child.

We believe that parents play a vital role in their child's education, and we invite you to be active participants in our school community. Whether it's volunteering your time, attending school events, or joining our Community School Leadership Council, your involvement strengthens our school and enriches the educational experience for all students.

We are excited to partner with you on this journey and to work together to make Diamond Elementary a vibrant and inclusive community where every child can thrive.

Thank you for entrusting us with your child's education. We look forward to getting to know you and your family better!

Warm regards,

Evelin Soto
