  - Dr. Kristofic - in the middle of testing, finished PSSAs. A lot of changes with the science test. New standards that are coming out in science - field testing a lot of questions. Not sure what kind of feedback we'll get back. Testing in 5th and 8th grades. Helps set the path, guides for the biology keystone exam, predictor for Pennsylvania Added Value Assessment. MS uses the scores here and helps inform at the high school level.
  - Keystone exams next Thursday-Friday
  - School sports banner reception is on the same day as the school picnic. It is one of the pillars of excellence. Organizational standards and processes supported by the Pine-Richland School Board and written into policies.
  - Mrs. Berezo - not doing a field day or a RAMS Way Assembly.
  - Instead going to do Pay to Play dodge ball tournament. 5 students per team, \$2/student. Going to use the funds for some raffle prizes. Kids can use tickets too. Jenn Mullaugh is going to spearhead it. Problem with cell phones this year. Going to push that they need to have their cellphones in their lockers. If they have their cell phone confiscated from May 8 on they will be disqualified from participating. Any

tier 2 disciplinary actions will also be cause for disqualification and you get your money back. Kids not interested will be watching. Next year try to come up with something for those kids.

- School picnic next Friday.
