LWHS Annual Fund FAQs

The Tiger Fund provides over **\$2.2 million** in **unrestricted support** to the operating budget to ensure that **all students** have the opportunity to thrive at LWHS. **Tuition alone does not cover the full cost of an LWHS education.**

The Tiger Fund is comprised of contributions made by families of current students and alumni. These contributions support the current operating needs of LWHS, such as Flexible Tuition, faculty salaries, the arts, athletics, the Center, new tools for the shops, and so much more. Every family plays a vital part in making LWHS a spectacular school through participation in the Annual Fund.

Gifts to the LWHS Tiger Fund range from \$25 to over \$100,000. Each gift is incredibly meaningful in sustaining our Head, Heart, Hands education.

Why are we asked for a gift to the Tiger Fund when we already pay tuition?

While tuition establishes the foundation for excellence, it does not cover all of the school's expenses. The Tiger Fund accounts for **7.3% of the school's operating budget**. Without contributions to the Tiger Fund, our school would not be able to maintain small classes, our robust Flexible Tuition Program, retain our talented teachers, or provide individualized attention, academic rigor, and superb facilities.

Why is 100% participation so important?

High participation visibly demonstrates the dedication of our community to the school and is an indicator for charitable foundations when deciding on grants and other support. For that reason, we ask that every administrator, teacher, trustee, family, and alumnus support the Annual Fund in hopes of reaching 100%. Our goal is to make giving accessible, inclusive, and meaningful to each and every family.

As a community, we can collectively provide LWHS with the additional financial resources necessary to pursue the school's mission and to create opportunities for all students to benefit from a unique education through the Tiger Fund.

When should parents make a gift?

We ask that parents make their gift or pledge during the Tiger Fund drive before **October 21, 2025**. By making a gift now, we are able to count on your support to meet the immediate needs facing the school and provide financial stability. Giving during the Tiger Fund helps keep our community together by helping to support LWHS' robust flexible tuition program. If you would prefer to make your gift at a later date, we invite you to make a pledge now and pay by May 1, 2026.

What are other ways of giving?

Families can make a gift of stock or through a donor advised fund. Giving a gift of stock benefits donors and LWHS. In most cases, donors do not have to pay capital gains on the transfer of securities that have been held for at least a year. You may also give through a check or a donor-advised fund (DAF), a type of giving program that allows you to combine the most favorable tax benefits. You can contact Jeanna Yoo at [jyoo@lwhs.org](mailto: jyoo@lwhs.org) for more information.

Can employers match gifts?

Yes! Matching gifts are an incredibly important way to make the most of your charitable gift. Many employers in the Bay Area will match their employees' gifts to non-profit schools like LWHS. Please contact your HR department for eligibility requirements and a matching gift form.
