

## **Revenues From Tax Sources**

In an attempt to provide sufficient financial resources, the Board:

1. requests that voters approve adequate local funds for the operation of the District and determines the amount, and type of levies in accordance with all statutory requirements to yield sufficient revenue for the operating expenses of the District;
2. accepts available state funds to which the District is entitled by law or through regulations of the Ohio Department of Education and Workforce and
3. accepts federal funds, which are available, provided that there is a specific need for them and that the required matching funds are available.
