# Smile and save on braces in Minnesota

Being a HealthPartners plan member comes with several perks, including a discount on braces with leading orthodontic clinics in the Twin Cities.

## How to get your discount

Save hundreds on straightening your child's smile or your own with our orthodontic discount.

Visit one of our participating orthodontic clinics and show your HealthPartners dental member ID card. The discount may vary by clinic.*

You may be able to save more money by using dollars set aside through a Health Savings Account (HSA) or a Flexible Spending Account (FSA) available through your employer. In most cases, you can use eligible HSA or FSA dollars for eligible orthodontic services.
