

## **Released Time for Religious Instruction**

The Board permits students to be released from school for religious instruction consistent with law. The Board collaborates with a sponsoring entity of a released time for religious instruction program to identify a time to offer the course during the school day. Absence during the school day for religious instruction is permitted, provided:

1. the student's parent or guardian submits a written request to the building principal and consents to participation in the released time course in religious instruction;
2. the sponsoring entity providing instruction maintains attendance records and makes them available to the District;
3. the sponsoring entity makes provisions for and assumes liability for the student and
4. the student is not absent from core curriculum subject courses.

A student is permitted to be excused from school to attend a course in religious instruction for one period per week.

The District is not responsible for transportation to and from the place of instruction. Transportation to and from the place of instruction, including transportation for students with disabilities, is the complete responsibility of the sponsoring entity, parent or student. The District, Board members and employees are not liable for damages in a civil action for injury allegedly arising during a student's transportation to or from a place of instruction when private transportation is used.

Regular classroom instruction missed as a result of a student's absence for religious instruction will not be made up and students assume responsibility for any missed schoolwork. Students are not considered absent from school while attending a released time course in religious instruction. The District does not aid, assist or enforce attendance in a religious instruction program. The District does not discriminate against students who participate in such program.

No public funds are expended and no public school personnel are involved in providing religious instruction. This policy does not constitute an endorsement of any particular faith or religious denomination and shall not be interpreted as promoting, favoring or affiliating the District with any religious organization or belief system.

The Board requires the sponsoring entity to provide verification on an annual basis to the District that it has:

1. Requested the superintendent of the Bureau of Criminal Investigation to conduct a criminal records check with respect to any individual who serves as an instructor or volunteer of the sponsoring entity providing the religious instruction. If that individual does not present proof that the individual has been a resident of Ohio for the five-year period immediately prior to the date upon which the criminal records check is requested or does not provide evidence that within a five-year period the Superintendent has requested information about the individual from the FBI in a criminal records check, the sponsoring entity shall request that the Superintendent obtain information from the FBI as a part of the criminal records check for the individual.
2. Not permitted any individual to serve as an instructor or volunteer of the sponsoring entity providing the religious instruction if the individual has previously been convicted of or pleaded guilty to an offense described in Ohio Revised Code (RC) 3319.31(B)(2) or (C) or RC 3319.39(B)(1).
