Logging onto the FDOE Azure B2C SSO

Please visit <https://flssoportal.fldoe.org/>. Once the page loads, select **Educators** to proceed.

The screenshot shows the FDOE Single Sign-On portal homepage. At the top left is the Florida Department of Education logo. To the right is a navigation menu with links for HOME, ABOUT, and SUPPORT. The main content area has a dark blue background with a large graphic of an apple with a keyhole, labeled 'FDOE Single Sign-On'. Below the graphic, text explains that the portal provides a convenient way to log into multiple state resources with one account. A button labeled 'SELECT AN OPTION BELOW TO GET STARTED' is visible.

Click **your organization** or **Hosted / Self-Registered login** when prompted.

- If your school district or organization is **listed**:
 - Click **Your School District/Organization**.
 - Enter the **Username** and **Password** associated with your district network credentials, then proceed to log in.
- If your school district or organization is **not listed**:
 - Click **Hosted / Self-Registered Login**.
 - Enter your username and select **Sign In**.
 - Next, enter your password and select **Continue**.

Establish Multi-Factor Authentication (MFA)

Upon your first login, you are required to choose your preferred method of multi-factor authentication (MFA).

1. Phone Number
2. Email
3. Authentication / TOTP App

Input the code on your computer to finish MFA setup.

Welcome Applications Screen

After users log in and set up MFA, the SSO Welcome Application Screen displays their assigned applications.
