2025-2026 District/Campus Improvement Plan**

Mission Statement

Terrell County ISD is dedicated to enhancing the self-worth of each student, providing a quality education in a firm, fair, and friendly atmosphere, and instilling pride, respect, and responsibility for one's self and the community, thus preparing the individual for the challenges and changes of the future.

Vision Statement

Terrell County ISD will serve students in a diverse and challenging environment that develops lifelong learners, supported by an engaged community.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Comprehensive Needs Assessment

DEMOGRAPHICS

Demographic Summary

- Terrell County ISD serves students in grades K-12th grade. The enrollment at Terrell County ISD is approximately 109 students. The demographics of the student population are as follows:
 - 55.05 % Hispanic
 - 38.53 % White
 - 3.67 % Two or More Races
 - 47.71 % Economically Disadvantaged
 - 1.83 % English Language Learners
 - 11.93 % Gifted and Talented
 - 12.84 % Dyslexia
 - 21.10 % Special Education
 - 35.78% At-Risk

Terrell County ISD will continue efforts to improve attendance in order to ensure that the ADA for the 2025-2026 school year increases. TCISD staff will communicate with parents when students have been absent or tardy for an unacceptable number of days according to district policy. Students with perfect attendance will be recognized during the school year. The TCISD attendance committee will work with the district administration, parents and Justice of the Peace to ensure that students are in school daily.

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

Demographic Strengths

Our school community works hard to support TCISD. The Border Patrol, Sheriff's Department and local businesses partner up with the school to support the needs of the students. The parents and community work with the teachers to ensure that students receive adequate instruction and intervention.

Demographic Needs

1. 47.71% of TCISD students are considered economically disadvantaged. It is important for the staff at TCISD to understand the effects of poverty on teaching.
2. Over 40% of TCISD students are in a specialized program (special education, dyslexia, Gifted and Talented, ESL); therefore, the district must provide the staff with effective training so that teachers understand how to support the students within their classrooms and ensure that student growth is evident and documented.

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

Student Achievement Strengths

Students are increasing their reading levels based on STAR Early Literacy assessments. Students are increasing their involvement in UIL academics. Students are increasing their time reading academic content based on Accelerated Reading data. Students in elementary are working to master 1,000 sight words, phonics sounds, weekly fluency paragraphs and math facts as quickly as possible. HS students are taking dual credit courses beginning their freshman year. Students in second grade through seniors are required to write in cursive.

Student Achievement Needs

Through the use of the data and observations during the 2024-2025 school year, it was determined that the staff needs continuous professional development in the following areas to support the needs of the students within the district:

- **Reading/Literacy (PreK-12)**
- **Writing Across the Curriculum (All grade levels)**
- **Vocabulary Development (All grade levels)**
- **House Bill 4545 Intervention strategies and programs**
- **Progress is monitored by TCISD school counselor towards CCMR and 'Completer Status' daily during study hall**

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

SCHOOL CULTURE AND CLIMATE

School Culture Summary

At TCISD, we encourage an environment that is positive and safe for all members of our school community. Our goal at TCISD is to work towards excellence by implementing **high academic and social standards** and working consistently to achieve our goals. We will work together to achieve a well-rounded positive change for our students, faculty, parents and community members.

School Culture Strengths

To ensure that the campus is safe, all school entrances are locked, and the two main entrances are equipped with doorbells and cameras to monitor the entrance to the building. During the 2020-2021 school year, control access doors and security cameras were installed to increase student and staff safety. To ensure a welcoming environment, the campus administration and staff members greet parents, students, and visitors during the morning drop-off and afternoon pick-up. Students are recognized for their accomplishments. Core Values at Sanderson Schools: Accountable, Integrity, Max Effort, Respect, Consistency

School Culture Needs

The TCISD staff needs to continue to build positive relationships with students, parents, and community members in order to build a school culture that is inviting and supportive (utilizing posters, flyers, social media). TCISD will continue to develop a consistent volunteer program for parents to be involved. TCISD will encourage and support the school Booster Club. TCISD will continue to build a working environment that models the core values developed and adopted by the staff. With recommendations from SHAC,

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

mental health education will be provided to students and staff members. We are working towards a school culture that values and takes pride in our school facilities and our behavior at school events through our actions and words.

STAFF QUALITY, RECRUITMENT, AND RETENTION

Staff Quality, Recruitment, and Retention Summary

TCISD will continue to interview and obtain highly qualified staff members. The administrative team will work together with campus teachers and site-based team members to interview and select teachers for available positions. In order to assist in retaining TCISD staff members, the staff will be recognized through various strategies. The staff will collaborate and participate in team building activities that will create a culture of support and teamwork. The staff will be involved in district/campus planning and staff development to improve student academic and social achievement. TCISD administration and staff have decided to work towards the district being a part of the TIA - Teacher Incentive Allotment to increase teacher pay through work based outcomes.

Staff Quality, Recruitment and Retention Strengths

The Terrell County Independent School District has several highly qualified teachers and support staff, teachers with multiple certifications, and teachers with multiple years of experience within TCISD. The district also provides competitive compensation and school housing options.

Staff Quality, Recruitment, and Retention Needs

TCISD must develop strategies and support systems that will help with the retention rate of teachers. TCISD will update the salary schedules to draw applicants to the school system and to retain teachers. TCISD will utilize the “District of Innovation Plan” to support the staffing needs through an exemption with certifications in areas of shortage.

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

CURRICULUM, INSTRUCTION, AND ASSESSMENT

Curriculum, Instruction, and Assessment Summary

TCISD will monitor and assess the success of students through the use of TCISD based curriculum, district assessments, interventions, TELPAS, STAAR, Amira, STAR Early Literacy assessments and Edmentum programs.

Teachers will engage in the collaborative process. Teachers will develop lesson plans to help better move their lessons through the content in an efficient and organized manner. Cooperative learning strategies and resources will ensure that teachers begin utilizing best practices. The use of SLOs will guide teachers and help them track progress with their students and with their personal teaching goals. Teachers will work to ensure students are working from bell to bell. Teachers will also work together to ensure ALL students have an AR goal and push students to meet this goal each six-weeks. Teachers will ensure Study Hall is utilized for tutoring, HB4545, homework, UIL and school meetings. Elementary teachers will tutor DAILY during RTI time. Elementary and Junior High teachers will also begin working towards helping students master ALL math facts to 12 (addition, subtraction, multiplication, division and fractions). Teachers will also incorporate correct writing strategies into assignments).

Through the development of an aligned curriculum and a focus on early literacy, educational and developmental gaps will begin to close, and a stronger foundation will be established in reading and math.

Curriculum, Instruction, and Assessment Strengths

TCISD will continue to utilize TEKS Resource to help develop an understanding of the TEKS. TEKS Resource also helps ensure that teachers are teaching the critical TEKS for student success.

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

Curriculum, Instruction, and Assessment Needs

TCISD needs to establish a focus that will ensure that curriculum, instruction and assessments are meeting the students' needs and that they are vertically and horizontally aligned to close achievement gaps. TCISD will utilize progress monitoring tools every 6-weeks to monitor student understanding of the TEKS covered during that grading period. The tools will help analyze data for a more direct approach to meeting the needs of all students. TCISD teachers will develop a deeper understanding for the TEKS expectations, vertical alignment, formative assessments, summative assessments, the curriculum, best practices, and they will learn to analyze data. TCISD will also communicate the curriculum, instruction and assessment requirements to parents in a parent friendly manner.

Teachers will:

- utilize TEKS resource
- utilize Saxon Phonics daily in grades K-3
- work towards all students mastering the first 1,000 sight words
- implement an AR goal for ALL students in grades K-12 (excluding students who are in Dual Credit English classes)
- progress monitor reading levels with STAR benchmarks in August, December, March, May
- tutor students daily as needed and 4 times per week for individual student needs during study hall and RTI
- Work on learning math facts with automaticity:
 - K- recognizing numbers to 100
 - 1st- addition
 - 2nd-addition and subtraction
 - 3rd-multiplication
 - 4th and 5th - multiplication and division
 - 6th - 8th - fraction, decimal, percent conversions (along with reinforcement of addition, subtraction, multiplication, division)

**Terrell County ISD
Sanderson Schools
2025-2026 District/Campus Improvement Plan**

FAMILY AND COMMUNITY INVOLVEMENT

Family and Community Involvement Summary

TCISD has begun to establish a group of active parent volunteers. TCISD will work with parents to encourage them to continue to participate in the areas where they can be most effective for our campus and students. TCISD will hold various events to engage families and get them involved as per our Parent / Family Engagement Policy. TCISD will work to educate parents on the Texas Essential Knowledge and Skills, Student Expectations and the rigor of the STAAR assessments. TCISD wants to educate parents on the importance of:

- Daily reading and being immersed in all types of text and literature
- Attendance and the important role that attendance has on student achievement
- The relevance of supporting intervention and enrichment through homework and technology support that can be accessed at home for additional practice

Family and Community Involvement Strengths

TCISD is a small community that when provided the opportunity, parents and community members willingly volunteer and support the school, teachers, and students. TCISD organizes events that allow parents to participate and observe the successes of their children.

Family and Community Involvement Needs

- Incentives for attendance, continued and restructured for better results (per six weeks beginning the second six weeks)

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

- Parent training
- Volunteer opportunities

SCHOOL CONTEXT AND ORGANIZATION

School Context and Organization Summary

TCISD will provide the students with a supportive structure and school system. The daily routines will be established to ensure that learning time is maximized. The master schedule will provide the students with appropriate learning time. The school systems in place will ensure that students are safe. The SHAC committee with support staff and students by presenting and recommending mental health programs for staff and students. All substitute teachers are required to attend a substitute training with the Superintendent at the beginning of each school year. All safety drills are conducted as required by the TxSSC.

School Context and Organization Strengths

Routines with the consolidation of the elementary students with secondary students have been developed and adjusted to ensure that students are safe. Established procedures for secondary students driving to campus have been implemented. Extra duty schedules have been established to ensure that adults are supervising students at all times. The Guardian Program ensures a school resource officer requirement has been met.

The master schedule allows for learning time to be maximized.

School Context and Organization Needs

TCISD must continue to develop school-wide behavior expectations that are aligned from PreK through 12th, especially in common areas. This will ensure that everyone is speaking the same language and it ensures that students know expectations. Three

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

expectations will be used to guide the entire school: Be Safe, Be Responsible, Be Respectful. We will also institute be kind and the 'Give me Five' attention resource.

TECHNOLOGY

Technology Summary

Every classroom in TCISD is equipped with a teacher's computer. Most classrooms are equipped with an interactive whiteboard and projector. The district has two working computer labs for student/ class access throughout the day. The district has chromebooks for students from grades 2-12 and iPads for K-1 grades to use within their classrooms. Dual Credit students are assigned Microsoft Windows laptops.

Technology Strengths

Teachers and students have access to their own assigned Chromebooks and to computer labs throughout the day. Each classroom also has interactive panels and document cameras to support teaching and learning within each classroom.

Technology Needs

Additional technology needs:

- Continued technology training for teachers
- Updated Science Lab equipment

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Goal 1: Terrell County ISD/Sanderson Schools will support high academic standards.

Performance Objective 1: 90% of Terrell County ISD/Sanderson Schools students will meet standard or demonstrate grade level performance on state assessments or any of the following assessment tools: RenStar Reading (AR), Amira, Study Island and district developed assessments (including benchmarks, sight words, fluency and math flashcards)

Summative Evaluation: State assessments, RenStar Reading, Amira, Study Island, district assessments

Strategy Description	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Review
1) The TCISD Staff will work collaboratively to analyze TEKS, curriculum and data to develop lessons that are instructionally appropriate and provide students with the level of rigor and scaffolding required within the TEKS, to begin closing achievement gaps.	Campus administration, teachers	Professional Development focused on these areas with Region 18 and the TCISD administration, lesson plans, training certificates, sign-in sheets, agendas, instructional focus visits, TEKS Resource usage, collaborative meeting with administration and teacher leaders.	OCT. JAN. MAY.
2) Students not performing on or above grade level, according to STAAR (HB4545) and other district criteria, will receive research-based interventions in the formal intervention time during the school day and through pull-out intervention programs (RTI).	Campus administration, RTI teacher, special education teacher, classroom teachers	District assessments, data collected by teachers, SIT paperwork, student attendance sheets, lesson plans, instructional focus visits, Amira reports, STAAR results, intervention documents	OCT. JAN. MAY.
3) Accelerated Reader will be utilized 1 st – 12 th to promote the importance of reading. Modifications will be made to the program to ensure that students are reading to learn successfully.	Campus administration, English/reading teachers, library assistants	Accelerated Reading Reports, RenStar Reading Assessment Reports, STAAR results, Grade Book grades	OCT. JAN. MAY.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Goal 1: Terrell County ISD/Sanderson Schools will support high academic standards.

Performance Objective 2: Terrell County ISD will increase the daily attendance rate to 97%.

Summative Evaluation: Daily attendance rates, attendance letters, parent contacts, attendance committee documentation

Strategy Description	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Review
1) The TCISD administration and attendance committee will monitor student attendance trends.	Campus administration, teachers, school secretary, counselor, campus attendance committee	Daily Attendance rate	OCT. JAN. MAY.
2) The campus administration will contact parents via email, letter, conference, or phone calls to discuss and inform parents of attendance concerns and violations.	Campus administration, counselor, school secretary	Letters, communication log, emails, conference forms	OCT. JAN. MAY.
3) ADMINISTRATION will monitor attendance on a daily basis and maintain a record of parent contacts.	Campus administration, teachers, counselor, district secretary	Daily attendance rates, parent contact logs, individual student attendance records	OCT. JAN. MAY.
4) Awards and recognition will be provided to individuals and classrooms that have a high attendance rate percentage.	Campus administration, counselor, school secretary, attendance committee	Student attendance records, daily attendance rates by classroom, daily attendance rate by district	OCT. JAN. MAY.
5) Students will be recognized for Perfect Attendance, Honor Roll, Student of the Month, Sight Word Masters, Highest AR points each 6-weeks at the '6-Weeks Awards Assembly'. Students who have perfect attendance, or who are on the honor roll for the entire year will receive Amazon gift cards at the end of year awards.	Campus administration	, list of award recipients, attendance, report cards, data collection	OCT. JAN. MAY.
7) All parents will receive an updated notice about attendance and the consequences for not attending school. The letter will explain that writing a letter for a student's absence does not automatically excuse the absence.	Campus administration	Notice to parents, attendance rate by grading period, truancy filings, parent conference notes	OCT. JAN. MAY.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Goal 1: Terrell County ISD/Sanderson Schools will support high academic standards.

Performance Objective 3: 100% of TCISD’s English Language Learners will demonstrate at least one level of growth according to proficiency levels on TELPAS.

Summative Evaluation: TELPAS results, formative assessments, lesson plans, district LEP monitoring tool, instructional focus visits, STAAR results, LPAC documents, Woodcock-Munoz testing

Strategy Description	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Review
1) ESL and general education teachers will provide instructional support to all ESL students. They will ensure a strong academic foundation by incorporating academic language strategies in their lessons and student products.	Campus administration, ESL teachers, RTI teacher	Lesson plans, instructional focus visits, district assessments, Amira reports, STAAR results, Woodcock-Munoz testing, LAS assessment, LPAC documents	OCT. JAN. MAY.
2) All English certified teachers (PreK-12) will be ESL certified.	Campus administration, teachers	State Certification testing and SBEC certifications	OCT. JAN. MAY.
3) Teachers will implement Lead4ward instructional strategies, cooperative learning, and various other resources in daily classroom lessons to ensure that the four language domains are addressed.	Campus administration, RTI teacher, counselor, teachers	Instructional focus visits, lesson plans, daily products, ELL monitoring tools, TELPAS	OCT. JAN. MAY.
4) ESL students will receive additional support through an Edmentum reading program, designed specifically for ELLs (grades 3-12), BrainPop ELL, and/or Rosetta Stone.	Campus administration, teachers, RTI teacher, special education teacher	Edmentum progress reports, student tracking charts	OCT. JAN. MAY.
5) The ELL students will participate in pull-out and/or classroom-based ESL instruction. The ESL support/instruction will be documented in lesson plans through the use of the ELPS.	Campus administration, ESL teachers, classroom teachers who service ESL students	Lesson plans, instructional focus visits, TELPAS results,	OCT. JAN. MAY.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Goal 1: Terrell County ISD/Sanderson Schools will support high academic standards.

Performance Objective 4: 100% of TCISD students will demonstrate academic **growth** on at least one of the following growth measurement tools: STAAR, end-of-year district assessments, Amira, RenStar Reading, and Accelerated reading

Summative Evaluation: Teacher observations, anecdotal notes, running records, Amira reports, Accelerated Reading reports, district assessments, SIT and RTI documentation, STAAR results, TELPAS results

Strategy Description	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Review
1) All PreK-8 th grade students will participate in the Amira Reading and Math programs. This will help support and build the foundation for all students. This will also help determine progress from September – May.	Campus administration, elementary teachers, Reading/ELA teachers, library assistants	Amira reports, district assessment results, TELPAS, STAAR, EOC	OCT. JAN. MAY.
2) All primary grades will utilize SAXON PHONICS to solidify the reading foundation for students prior to entering into the 4th grade. An additional Guided Reading Program will be purchased to support the Guided Reading within the foundational grade levels.	Campus administration, elementary teachers, library assistants	Amira reports, district assessment results, progress monitoring charts, Reading A-Z guided reading levels ESSER III Purchases	OCT. JAN. MAY.
3) Lesson plans will be written and submitted weekly by all teachers.	Campus administration, teachers	Lesson plans, lesson observations, instructional focus visits, T-TESS	OCT. JAN. MAY.
4) Assessments that are aligned to the TEKS and STAAR will be developed, and results will be analyzed, grades K-12. The assessments should require students to apply the process standards and articulate the learning at a high level.	Campus administration, teachers in grades 3-12	Lesson plans, developed assessments, assessment results, assessment writing training documents, Eduphoria data	OCT. JAN. MAY.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

5) Students will have the opportunity to participate in weekly tutorials/RTI/acceleration in the areas of math, reading, writing, science and social studies.	Campus administration, core-content area teachers	Tutorial schedules, student sign-in sheets	OCT. JAN. MAY.
6) Courseware (Edmentum) programs will be available to students for credit recovery or advancement.	Campus administration, teacher assistant that monitors the on-line program	Student enrollment in Odyssey/Plato Courseware, teacher assistant schedules, time-sheets	OCT. JAN. MAY.
7) TCISD will utilize the District of Innovation teacher certification exemption to fill all teaching positions and support the academic needs of the students.	Campus administration, teacher assistant hired to monitor the students during their on-line math course	Student enrollment, student grades and success rate, teacher assistant schedules, time-sheets	OCT. JAN. MAY.
8) TCISD will implement the use of SLO (Student Learning Objectives) to ensure that goals are established for classrooms to improve student performance and teacher performance.	Campus administration, teachers	SLO documents, T-TESS, Eduphoria data, STAAR data,	OCT. JAN. MAY.
9) TCISD will continue to implement a Gifted and Talented pull-out program that accelerates student learning. The program will foster a love for learning and provide students with the opportunity to explore areas of interest to advance their learning.	Campus administration, RTI teacher/GT teacher	Program enrollment, student products, student progress on various assessment tools, lesson plans, master schedule, program design	OCT. JAN. MAY.
10) TCISD will utilize “Reading by Design” to support the needs of dyslexic students and struggling readers.	Campus administration, dyslexia teacher, RTI teacher, elementary classroom teachers	Reading by Design progress monitoring, RTI lists, assessment results	OCT. JAN. MAY.
11) TCISD will utilize TxKEA for Kinder reading and TPRI for 1 st and 2 nd grade reading. These programs will monitor progress for BOY, MOY and EOY. These systems are aligned with the state requirements.	Campus administration, early literacy teachers	CIRCLE reports, data reports, results	OCT. JAN. MAY.

**Terrell County ISD
Sanderson Schools**

2025-2026 District/Campus Improvement Plan

Goal 1: Terrell County ISD/Sanderson Schools will support high academic standards.

Performance Objective 5: TCISD staff members will work collaboratively in order to ensure that 100% of Sanderson students have a positive and smooth transition from elementary courses to secondary courses and from secondary courses to post-secondary opportunities.

Summative Evaluation: Calendars, flyers of events, parent and student attendance in events, parent and teacher surveys

Strategy Description	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Review
1) Eighth grade students and parents will be provided with information about transition between junior high and high school. The information presented will focus on curriculum requirements, course opportunities, and High School graduation plans. This meeting will take place during the second semester of the school year.	Campus administration, counselor	Parent and student sign-in sheets, parent feedback, student feedback	OCT. JAN. MAY.
2) TCISD students will participate in “Go Get It – College Week” in October. During this week, students will be introduced to various colleges and post-secondary opportunities. The students will show their post-secondary spirit and learn different college facts.	Campus administration, counselor	Student participation, announcements, flyers	OCT. JAN. MAY.
