AMERICA

The United States of America Semiquincentennial is the celebration of the nation's 250th anniversary of independence, culminating on July 4, 2026.

- Harry S. Truman said, "America was not built on fear. America was built on courage, on imagination, and an unbeatable determination to do the job at hand."
- As we celebrate 250 years of the United States of America, we reflect on what truly makes our nation strong — the belief that everyone has a place, a voice, and a story that matters.
- We encourage any learner in grades K-12 to create a piece of art, a poem, photo art, a photo story, a piece of pottery, or other creative endeavor to represent what America means to you.
- Submit your entry to the front office of your home school by March 20, 2026.
- Entries will be on display for the public at the Historic Downtown Pocatello First Friday Art Walk on May 1, 2026, where the winners will be announced.
- Winning entries will be showcased in additional community locations following the event — details to be announced.

PHOTO ENTRIES: 8X10 print, mounted.

ART (paintings, drawings, etc.): any size, mounted.

POTTERY & OTHER FORMS OF 3-DIMENSIONAL ART.

POETRY (or other written piece): 1-page maximum. Font size 12 or larger.

All pieces must include a title for your entry, your first and last name, and the name of your home school.

POWER UP YOUR WELLNESS QUEST!

 **MOVE** *Boost your body and energy through simple, active choices.*

- Take a walk & photograph your favorite view along the way—bonus if it's a new route!
- Try a new kind of movement (yoga, pickleball, dance, stretching, etc.).
- Take the stairs instead of the elevator for a full day.
- Host or join a “walking meeting.”
- Skip the close spots—park farther away and take the long route in!
- Get 7,000+ steps three days in a row.
- Do 10 minutes of morning stretches before work.

 **FUEL** *Nourish your body with choices that help you feel your best.*

- Pack a colorful, balanced lunch from home.
- Drink at least 64 ounces of water in one day.
- Skip sugary drinks—or even diet sodas—for three days in a row.
- Try a new healthy recipe and share it with a colleague.
- Eat at least five servings of fruits and vegetables in one day.
- Prep healthy snacks for the week (nuts, fruit, yogurt, etc.).
- Start your day with a healthy breakfast every morning for one week.

 **RECHARGE** *Pause, breathe, and refocus your mind and emotions.*

- Take a 10-minute break without technology – just breathe or walk.
- Write down three things you're grateful for.
- Listen to calming music for at least 15 minutes.
- Spot a heart shape in nature—rocks, clouds, shadows—they count!
- Read for pleasure for 20 minutes.
- Go to bed 30 minutes earlier than usual for three nights in a row.
- Spend one evening fully unplugged from screens.

 **CONNECT** *Strengthen relationships and spread positivity.*

- Send a thank-you note or message to a colleague.
- Have lunch or coffee with someone new.
- Offer to help a teammate with a task.
- Give a genuine compliment to three people in one day.
- Capture a moment that represents belonging—a team, a classroom, or a community moment that says *You Belong Here*.
- Participate in a group wellness activity (walk, yoga, etc.).
- Enjoy your favorite way to recharge – a cozy corner, a hobby, or a pet that helps you unwind.

 **HOW TO PLAY**

- Complete 20 total quests from any combination of categories.
- Record your progress by initialing two squares for every quest completed.
- Submit your completed board to earn your \$20 wellness reward.
- Share a photo or short reflection from your quest by emailing fisherco@sd25.us to earn bonus raffle entries! Your responses may end up on our social media pages!
