A NOTE FROM OUR PRINCIPAL

Welcome back, Zane Middle School students and families!
As we kick off the 2025-2026 school year, we want to extend a warm welcome to all our new and returning learners. We believe middle school is a time for incredible growth, and we're excited to support our students as they find their place within our community. Our goal is to create a space where every student feels seen, heard, and valued—a place they can truly call their own.

A NOTE FROM OUR PRINCIPAL CONTINUED

This year, we're particularly focused on nurturing learner agency. Simply put, learner agency is the power students have to take ownership of their education. It's about empowering them to become active participants in their learning journey by setting goals, making choices, and reflecting on their progress. When learners have agency, they feel a greater sense of purpose and are more motivated to succeed.

We can't wait to partner with you to make this a wonderful school year. Together, we can help our students not only find their sense of belonging but also develop the skills they need to become confident, lifelong learners. Here's to a fantastic year ahead! Be sure to S.O.A.R. with the Falcons!!

Respectfully,
Mrs. Wagner
