Ontario-Montclair School District Offering All Day Kindergarten

The Ontario-Montclair School District is proudly offering all day kindergarten for the 2018-2019 school year. All day kindergarten will be available at 23 elementary schools in the cities of Ontario and Montclair (in all but three of the district's elementary schools).

"The Ontario-Montclair School District has a long-standing history of providing a world-class education to all students. To help continue to grow and support the developmental and academic learning needs of younger students, we will now offer all day instruction for our kindergarten students," stated Board President Elvia M. Rivas.

Registration information is available by calling 909-418-6477. School begins on August 8, 2018.
