Vernon Middle School's Newcomer Students Received Backpacks Filled with School Supplies

AMR gives Backpacks to Vernon Middle School Newcomer Students

ONTARIO, Calif. — The beginning of the school year is an exciting time and AMR San Bernardino is helping Vernon Middle School Newcomer students kick off their year with a new backpack filled with school supplies.

On August 2, 2019, AMR San Bernardino donated 40 new backpacks filled with school supplies to Vernon Middle School. Principal Kim Tovar, along with Vernon Staff members and District representatives accepted the generous donation. The backpacks will be distributed to newly enrolled students as they enter the Ontario-Montclair School District.

"I am excited for our students who will begin the school year with the supplies they need to do their best, and I know our families appreciate the generous contribution," said Vernon Principal Kim Tovar.

The Ontario-Montclair School District's Newcomer Program is designed to provide an educational experience for our students recently enrolled in a school in the United States. Our Newcomer Program prides itself on ensuring a successful adjustment to 7th and 8th grade while at the same time ensuring academic achievement that promote college and career readiness.

"AMR was proud to partner with OMSD this year. It is a pleasure to help make a positive difference for children and families in the communities we serve" said Bri Darling, Special Events Coordinator for AMR San Bernardino County.
