

Bethany
CHRISTIAN SCHOOLS

Annual Report 2015-16

A Word from the Board Chair

—Sharon Yoder

Growth, Stability, and Renewal

The Campaign for Sustainability officially wrapped up in the fall of 2015 with the installation of the wind turbine. The turbine has become iconic for Bethany as it is easily visible to those passing by.

While the facility upgrades funded by the Campaign for Sustainability have been completed, the learning opportunities the project enabled continue. For example, science teachers Calvin Swartzendruber and Amy Thut use the wind turbine and solar panels to teach their students about renewable energy and sustainability. And as a way to share and reinforce that knowledge, these students then used their learning to teach a series of experiential lessons to Waterford Elementary School students last spring, helping both schools' students to better understand how energy is created and how the solar panels and wind turbine at Bethany create renewable energy.

Growing numbers of people are also noticing more about Bethany than the easily-visible wind turbine. New students and families are choosing Bethany for its academic and faith aspects. Rather than focusing narrowly on standardized test preparation, Bethany offers a broad-based education where students engage in experiential learning in the context of Christian service and faithful living. Over the last five years enrollment has increased 16%. An especially exciting development is that enrollment at 4th and 5th grade has reached capacity.

Carissa Mast ('19) and Adele Schloneger ('19) lead elementary school students in an energy experiment.

While this upward trend in enrollment is exciting, we want to continue to build on that success and are currently engaged in a strategic visioning process. We are identifying the things we do well and imagining a future in which we take those good things to make a new and even better place. The Bethany community has always been forward-looking, and I am excited to see what God has in store for us.

From the Head of School

—Tim Lehman

A New Sense of School Spirit

The 2015-16 school year was more exciting than any in my recent memory. Of course it was my first year as head of school and new beginnings always bring a sense of excitement. However, I am talking about student engagement, and two events that involved the entire student body come to mind.

The first event was the varsity girls basketball team winning its first sectional title in 19 years. Student support was amazing. Athletic Director Gary Chupp organized an all-school pep rally during which the new, but not young, Bethany cheer squad was introduced. Perhaps some of us middle-aged men drafted for the cheer squad were a bit embarrassed—I hope there isn't a video floating around out there on youtube—but the students definitely loved it. I would like to think that student and community support helped carry the girls to the sectional title.

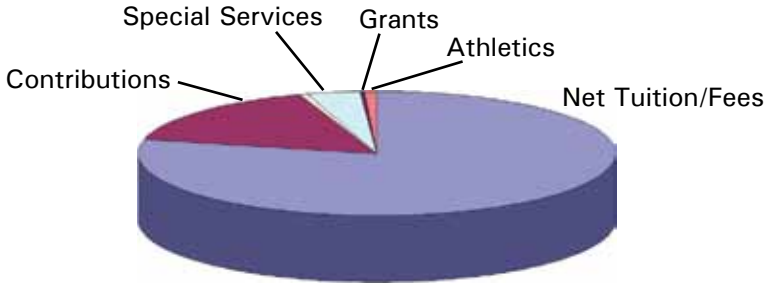

A second event, one that can be seen in a video, was held last spring at 5:30 a.m. on a Friday morning. Nearly all of our students came to school at that early hour to participate in WNDU-TV's *School's Rule* live broadcast, in which schools display their spirit and highlight academic and extracurricular programs. Our students did an outstanding job, enthusiastically sharing with the broader community what makes Bethany special for them. Watch the video for yourself at **bethanycs.net/schools-rule-2016**.

Thanks for your continued support.

Academic Excellence

Fifth grade science students Emma Helmuth, Caleb Jun, and Conner Liras discover that learning can be fun. Bethany provides challenging experiential learning in core subjects and enrichment courses at all levels, including four Advanced Placement and six dual-credit courses in high school.

Christ-centered Faith

Hannah Kaethler ('18) and Emma Diener ('18) share a laugh in Bible class. Integrating faith and learning from a Mennonite perspective that highlights discipleship, peaceable living, and service, Bethany invites each student to engage in a personal faith journey and to develop faith practices they can continue as adults.

Community

Within a diverse faith-based community, Bethany fosters respectful and compassionate relationships that build a safe and trusting environment, a caring community, and life-long friendships. In fall 2015 the Bethany community surrounded the extended Nunemaker family in the Friendship Garden as together they remembered the life of Kari Nunemaker. As a sophomore at Bethany in 1991, Kari was abducted and murdered on the way home from an event in Elkhart. The Friendship Garden was built in memory of Kari as a space to develop and enjoy the gift of friendship.

Gift Development

The girls basketball team won a sectional championship in 2016. Bethany nurtures the academic, artistic, physical, social, and spiritual gifts of students as they lead chapels, mentor younger students, organize the twice-a-year fish fry, and participate in athletics, speech, and theater.

Our Mission

Bethany Christian Schools is a dynamic learning community that integrates faith development with academic excellence. Grounded in Mennonite values, Bethany equips students for Christian discipleship in the church and around the world.

Thanks to family, friends, alumni, businesses, and congregations listed in this report for your generous support in helping make it possible for students to acquire a Christian education at Bethany. This support covers the difference between tuition and the cost of education.
