2014-15 Annual Report

A Word from the Board Chair

—Sharon Yoder

The 2014-15 school year was one that brought both closure and a transition to new beginnings.

Head of School Transition

Allan Dueck retired in December 2014 after 19½ years of service to Bethany as principal. The board's Succession Planning Committee organized celebratory activities to highlight achievements and accomplishments during Allan's tenure.

Meanwhile, a search committee actively engaged the Bethany community and broader church to locate and attract a new lead administrator. To more accurately reflect the duties of this position, the board changed the title from principal to head of school. Correspondingly, *assistant* was dropped from the assistant principal title. At Bethany, the head of school oversees all operations and strategic planning, while the principal directs day-to-day activities.

In October 2014, Guidance Counselor Jim Buller was named Interim Head of School while the search committee continued its work. In January 2015, Tim Lehman was named Head of School effective July 1, 2015. Tim had previously served Bethany, first as a teacher and later as assistant principal; at the time of hire he was the principal of Iowa Mennonite School.

Capital Campaign for Sustainability Wraps Up

In 2012 Bethany initiated a broad-based fundraising campaign focused on strengthening Bethany's sustainability into the future. The campaign, which raised $4.6 million, officially concluded at the end of the 2014-15 fiscal year.

The central component of the campaign to fortify Bethany's financial future was the "green" building initiative, which will save energy and dollars for years to come. With the help of many generous donors, Bethany's infrastructure is ready to serve the next generation of students. Facility upgrades include:

- Construction of a pitched insulated roof over the oldest part of the school, which reduces heat loss and solved ongoing troubles with a leaky roof,
- replacement of aging and inefficient heating units with a more energy-efficient and cost-effective geothermal system that handles both heating and cooling needs,
- adding remote controlled monitoring systems that facilitates climate control efficiency,
- installation of 77 kilowatts of solar panels on the south roof, which have the capacity to run the geothermal well pumps,
- installation of a wind turbine for energy and educational purposes,
- remodeling of restrooms in the high school to include better ventilation and low flush toilets,
- expansion of the technology infrastructure to support the purchase of student iPads and laptops for the 1:1 computer initiative.

As Bethany students continue to prepare for "Christian discipleship in the church and around the world," I thank you for supporting our vision of a quality education from an Anabaptist perspective.

Thank You Volunteers

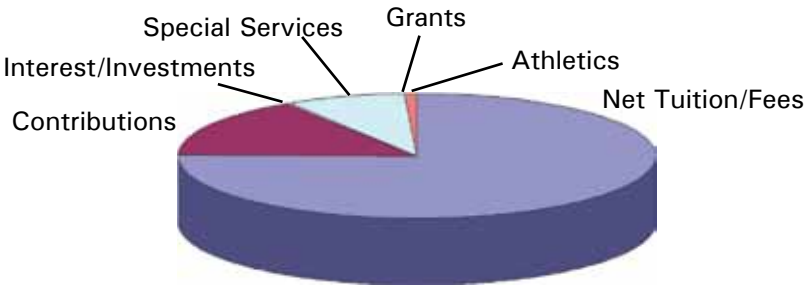

Thank you to all parents, grandparents, alumni, and friends for the countless hours that you have given Bethany. Office volunteer Melba Nunemaker (seated) with Karen Shenk, advancement assistant.

Academic Excellence

Linda Hochstetler, Bethany's 2015 teacher-of-the-year, provides individual instruction while fifth-grade students work independently or in collaborative groups. Bethany provides challenging experiential learning in core subjects and enrichment courses at all levels, including four Advanced Placement and six dual-credit courses in high school.

Christ-centered Education

Integrating faith and learning from a Mennonite perspective that highlights discipleship, peaceable living, and service, Bethany invites each student to engage in a personal faith journey. During Spiritual Life Week, Bible teacher Dale Shenk and his mentor group discuss how we use (or don't use) our resources to care for others.

Our Mission

Bethany Christian Schools is a dynamic learning community that integrates faith development with academic excellence. Grounded in Mennonite values, Bethany equips students for Christian discipleship in the church and around the world.

Thanks to family, friends, alumni, businesses, and congregations listed in this report for your generous support in helping make it possible for students to acquire a Christian education at Bethany. This support covers the difference between tuition and the cost of education.
