

Bethany Christian Schools
2012-13 Annual Report

Principal's Report

—Allan Dueck

In 2012-13 Bethany completed an extensive self-study for re-accreditation and developed exciting curricular initiatives to ensure continued excellence in Christian education.

Re-accreditation. During the fall Bethany assessed its effectiveness related to five standards of Mennonite Education Agency and AdvancED: purpose and direction, governance and leadership, curriculum and instruction, resources and services, and use of assessment data for continuous improvement. In light of findings, we set goals for continuous improvement.

In April representatives of AdvancED and MEA spent several days at Bethany. Visitors praised our school for "powerful practices" including the strong sense of community and faith identity, effective governance, a mentoring program that supports each student, and a rigorous curriculum that prepares students well for higher education. They also affirmed Bethany for "a commitment to excellence and a deep passion for living out our Anabaptist theological understandings." The review process culminated in new five-year accreditation by AdvancED, MEA, and Indiana's Department of Education.

Curricular initiatives

• Teachers experimented with new ways to use computers to strengthen student engagement and learning—from "flipping a classroom" to having students participate in online discussions and edit each others' writing. The pilot one-to-one program in *English 9 & 10* helped us prepare for school-wide implementation of the digital competence initiative.

• A new approach to supporting students with special learning needs was implemented. Among other things, special needs teacher John Mast actively coached classroom teachers in accommodating students' needs.

• Responding to input from parents and educators, the decision was made to introduce strings or band instruction for all students in grades 4-5—a significant margin of difference from other schools—and to deepen support of reading skills in middle school.

Mentoring program. Each student met regularly with a mentor teacher to discuss academic performance, relationships, personal struggles and joys, post-high aspirations, matters of faith, and so on. A relationship with a caring adult who holds similar Christian values as parents and the church offers significant opportunities for personal growth.

A Word from the Board Chair

—Sharon Yoder

Board highlights of 2012-13 include enrollment growth, increasing diversity, and forward-looking strategic planning.

Continuing enrollment growth. For the second consecutive year, enrollment climbed—to 264, up 4% from the prior year. Having offered a combined 4/5 classroom during the first year of a two-year pilot, enrollment last year necessitated separate classrooms and led to the board decision to include these grades as an ongoing part of Bethany's program.

Other factors supported enrollment growth: program enhancements; daily bus service from Elkhart; Indiana's *School Choice Scholarship* program; and the growing racial, religious, and socio-economic diversity of our student budy.

Strategic planning. Last year a task force of Bethany friends and representatives of the administration, faculty, students, and board plotted a path for Bethany's future. The task force included Bob Steury, Wilbur Bontrager, Bob Miller, Amy Thut, Daryl Zook, Alan Weldy, Dave Hawkins, Pooja Patel, Peter Schrock, Scott Richer, and Allan Dueck.

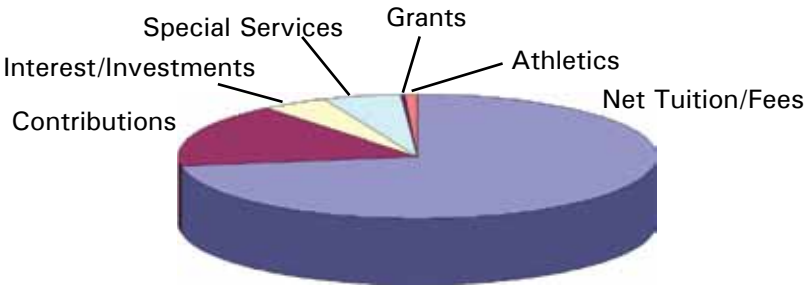

A new direction emerging from this work was a digital competence initiative to provide each student with an iPad or laptop—with the goal of equipping students for college and work in the 21st century. The task force also identified ways to support continued enrollment growth and decrease operating costs. More outcomes of this planning initiative will unfold during the coming months.

As Bethany continues "to equip students for Christian discipleship in the church and around the world," I thank you for supporting Christian education at Bethany.

2012-13 Fiscal Year Contributors

The persons listed in this report have contributed to Bethany from July 1, 2011, to June 30, 2012. If you contributed during this time and your name is not listed or is listed incorrectly, please accept our apologies and notify advancement director Scott Richer. Bethany faculty, staff, and students appreciate the generous support of the following family, friends, alumni, businesses, and congregations for helping make it possible for students to acquire a Christian education at Bethany. An asterisk (*) notes donors giving $1,000 or more.

Our Mission

Bethany Christian Schools is a dynamic learning community that integrates faith development with academic excellence. Grounded in Mennonite values, Bethany equips students for Christian discipleship in the church and around the world.

Thanks to family, friends, alumni, businesses, and congregations listed in this report for your generous support in helping make it possible for students to acquire a Christian education at Bethany. This support covers the difference between tuition and the cost of education.
