General Information

Emergency School Closings

School cancellation is decided only after a thorough check with the Weather Bureau, district transportation services, local police and town highway authorities.

If the cancellation of the school day appears possible during poor weather conditions, parents/guardians should turn to the following television stations to confirm closings:

TELEVISION STATIONS

WGRZ-TV	CHANNEL 2
WIVB-TV	CHANNEL 4
WKBW-TV	CHANNEL 7

Also, please check our school website at www.cheektowagasloan.org

In the event of school closings all evening and after school programs are also closed.

School District Transportation Services

The district, in coordination with First Student, Inc. has developed a transportation system to comply with school district regulations. All bus stops are reviewed annually and pick up locations are designated to improve the student transportation system. All prior year bus stops are subject to change.

First Student, Inc. annually notifies all registered students, via U.S. mail of their assigned bus stops during the months of July and August. If you have not received notice by August 25th, please call First Student, Inc. @ 716-684-9440. First Student, Inc. will also be able to handle any questions or concerns about your assigned stops.

Resident students who require transportation to a private or parochial school must submit a transportation request form every year to the School District Office, 166 Halstead Avenue, Sloan, New York, 14212. Forms must be submitted by April 1 preceding the beginning of the next school year. Applications are available from your private/parochial school office, in the spring issue of the district newsletter or by calling the Transportation Department @ 716-891-6404.

Please help keep our school records current by notifying the school offices with new addresses, home/work telephone numbers or new day care providers. At times, it is extremely important for school personnel to reach parents/guardians in case of emergency.

School Facilities Use

The Cheektowaga-Sloan Schools belong to the community and are available to individuals or groups for worthwhile activities when they are not being used for school functions. Please submit your request in writing to Mrs. Denise Knaebe, District Clerk, 166 Halstead Avenue, Sloan NY 14212. All requests require Board of Education approval. Any questions, please call the District Office at (716) 891-6402.

Working Papers

Applications for working papers for all 14-17 year olds who plan to work part time may be obtained in the John F. Kennedy Guidance office. To receive a working permit, students must bring:

- The completed application signed by the parent/guardian
- Proof of a physical exam conducted within the last year. This can be obtained from the health office in the high school if the student had a physical for school sports, OR from the family physician.
- The student will then sign and receive the age appropriate working card.

Students requiring a news carrier permit, ages 11-17, are not required to have a physical examination if the student participates in regular physical education classes at school.

ANY QUESTIONS, CALL 716-891-6413.

Don't Know Who To Call?

Occasionally, questions or concerns arise which require immediate attention. Ordinarily you should contact the individual most closely associated with the area of concern. For example, call the teacher when the problem relates to the classroom; call the principal if the item relates to a situation within a particular building or a particular faculty member; call the guidance office if there is a scheduling problem; call the transportation department if the problem occurs in relation to the buses. If you are unable to resolve your problem through normal channels, you may contact the Superintendent of Schools. District Phone Number: 716-897-7800

School Census

The Cheektowaga-Sloan UFSD conducts a school census to assist with the educational planning process and the updating of school district records. The School District Office will mail census forms to all district residents. A savings can be realized if the head of each household will supply the needed information requested on these census forms. Please mail the forms back using the supplied pre-addressed envelope. All postage is pre-paid. Or you may go online as per directions supplied in the census letter.

Please look for the SCHOOL CENSUS forms mailed to your home during the months of April & May. Your cooperation is greatly appreciated.

Kindergarten Registration

A student is eligible to enroll in Kindergarten if his or her 5th birthday falls on or before December 1 following the start of the school year in September. If you are interested in enrolling your son or daughter in our Kindergarten program, please follow the registration process described above. New entrants are expected to participate in our Kindergarten Screening Process for school readiness. Screenings and orientation are typically scheduled in May, so it is important to register early. The orientation program includes a meet and greet at Theodore Roosevelt to discuss school procedures, a short bus ride, and a visit to the classrooms ending with a snack, compliments of the Theodore Roosevelt PTO.

Important Notice of Changes in Cheektowaga-Sloan Union Free School District's Child Nutrition Program

Effective July 1, 2025 through June 30, 2026

The Cheektowaga-Sloan Union Free School District is approved by the New York State Department of Education for the Community Eligibility Provision.

What does this mean for all students attending any school within the District?

- **All students enrolled in any building within the District are eligible to receive a healthy breakfast and lunch at school at no charge every day of the school year.** Students will be able to participate in these meal programs without having to pay a fee or submit an application.
- Our school is eligible to receive additional state and federal funds based on the number and/or percentage of students enrolled who reside in households that meet established federal income guidelines. We use the Family Income Questionnaire to collect household information. While completion of this application is not required for student to receive a free breakfast or lunch, completion of such application will help the District qualify for education funds and discounts. **Thus, we urge each family to complete this application.** If you receive an application, please help our school district by completing and submitting the form to Erin Greene, Food Service Director, 305 Cayuga Creek Road, Cheektowaga, NY 14227.
- If a student wants to purchase a second entrée, juice, milk or other ala carte items, they will need to have money on their account, or cash in hand. Additionally, students will also have the opportunity to purchase a variety of snacks and beverages that comply with the "Smart Snacks Sold in Schools" regulations. **These items must be purchased and no charging will be allowed.** Students have the option of paying for snacks as they come through the line, or on "MySchoolBucks" website.

Should your child need a special diet prescribed by a licensed medical physician, please provide the school building's nurse and the food service department a letter from the child's physician identifying the dietary need or allergy/sensitivity, and instructions for any special requests or directives.

We believe that this "Community Eligibility" designation will allow all students within the District to be the most productive and healthy learners possible.

If you have any questions regarding the District's food service program, please call Erin Greene, Food Service Director, at 716-891-6416.

Board of Education

The Cheektowaga-Sloan UFSD Board of Education is composed of seven members, elected at-large, by the voters in the Cheektowaga-Sloan community. Each member is elected for a five-year term. The Board of Education is a corporate body, which oversees and manages public school district affairs, personnel, and properties. It operates under the guidelines set forth by the Education Laws of the State of New York and the State Board of Regents. It is the official policy-making body of the school district. Decisions are rendered only when members are formally assembled at a properly convened meeting.

- May not simultaneously hold another, incompatible public office;
- Must not have been removed from a School District office within one year preceding the date of election to the Board.

Board of Education Meetings

(Listed on Monthly Calendar)

Board of Education meetings are generally scheduled the third Tuesday of each month for regular meetings. (Please see District Calendar for scheduled Meeting dates.) All meetings are open to the public. Meetings are held in the Irma Czubaj Board room located in the Woodrow Wilson School. Times are 6:30 pm unless otherwise stated. Occasionally, a closed "Executive session" may take place during part of the meeting time. As required by law, the district will be notified if any other special meetings are scheduled. All meeting notices are posted on each building entrance and on the Cheektowaga-Sloan web page.

Residents who wish to address the Cheektowaga-Sloan UFSD Board of Education at length or for non-resident who would like to request a presentation, a formal request must be submitted to the Office of the Superintendent at least one week prior to the regular Board meeting. Correspondence from the Superintendent's Office will be sent acknowledging the request, as well as the date and time for the presentation.
