

**MILLSAP ELEMENTARY  
PARENT INVOLVEMENT PLAN  
2025-2026**

**The Goal of the Millsap Elementary Parent Involvement Program**

To create and maintain parental partnerships and mutual respect through communication between home and school in order to ensure each student's growth and uphold Millsap Elementary's Vision which states

*All staff at MES will empower all students to grow at least one full year, while still valuing the whole child.*

**Objectives of the Millsap Elementary Parent Involvement Program**

1. To involve as many parents, grandparents, and community in the academic process for our students.
2. To communicate activities and opportunities to parents
3. To increase participation in all activities and opportunities for parents and the community both academic and extra-curricular

**Parents are encouraged to become involved by:**

1. Participate in goal setting and review with students and teachers to ensure growth for their students according to the Measures of Academic Progress measure.
2. Becoming a Room Parent - Volunteering to assist teachers by doing classroom projects, copying materials, laminating classroom items, etc.
3. Communicating with teachers often - Including checking Class Dojo or other messaging systems.
4. Participating in the Millsap Elementary Parent Teacher Organization and helping to plan fundraisers and activities for students.
5. Volunteering to become a WatchDog
6. Participating in Parent Nights, such as Open House, programs, etc.
7. Visiting the school and having lunch with your student
8. Participating in extra-curricular activities such as the Homecoming parade, Christmas parade, Camp Grady Spruce, field trips, PTO, and family nights(math, reading, and science).
9. Participating on campus and district committees such as, Campus Improvement Team and The School Health Advisory Committee, etc.
