## COUNCIL COMMENT

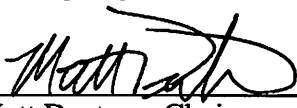

Discussion of additional teaching allocations available for this school year. Mr. Deaton explained we do have additional allocations available due to increased enrollment numbers. However, it is sometimes difficult to find teachers in the middle of the school year. He also explained that we will lose some teaching allocations next year when the IMPACT Center opens. So it may be that if we don't use the allocations it could help offset the positions we will lose. He added that if we don't fill those positions we would have the money allocated for those positions available in our budget. He stated that we could wait and see how the transition with IMPACT Center turns out or we could try and hire positions for the Spring Semester. He told the council that if they wanted to discuss the options further that they could let him know and it could be discussed in a future meeting.

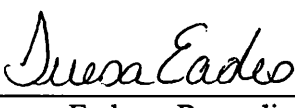

## APPROVE ASSISTANT WRESTLING COACH BOOSTER PAID UP TO \$1,000
