Principal's Report

—Allan Dueck

We are grateful to our alumni, parents, Associates, friends, and to God for the many gifts with which Bethany has been showered.

One of those gifts is God's sustenance during Bethany's first 50 years! As we celebrate this 50th anniversary, you will be receiving information regarding the various anniversary festivities and events. I will now touch on three areas in which we have been especially blessed during the past year.

The first area is mission-related: Bethany helps students develop a Christ-centered world view. Our mission is to provide a quality education that calls and enables young people to follow Jesus Christ and to live out their faith in active discipleship. Bethany is truly a close community that values Christ's teachings.

Last year, two students suffered from life-threatening illnesses. We held special prayer meetings and chapels where students, teachers, and administrators reflected on these situations in light of our faith. In addition, our students and staff worked with the congregation of one of these students, volunteering time for a fundraiser to help pay for the student's medical expenses.

When each of these students died, the entire Bethany community came together to celebrate their lives and the friendships we had been privileged to enjoy with each of them. We are grateful that through support from many Bethany friends, we are able to help our students become closer to Christ through such challenging life experiences.

The second area is helping students become more active in the church. Bethany encourages students to participate in congregational life—among other ways by not scheduling school activities other than music performances on Wednesday evenings and Sundays so students are free to participate in church activities. Bethany also encourages students to be involved in church by assigning groups to serve congregations and church camps on service days. Furthermore, Bible students interview their parents and other church members about faith issues or the life of the church.

Another important vehicle for encouraging students to participate in congregational life is to develop their gifts in music. By honing their musical gifts and using them in worship, student singers and instrumentalists develop enthusiasm and skills for worship. This past April Bethany was privileged to host the 41st annual *Mennonite High School Choral Festival* in which more than 550 high school singers from across the U.S. and Canada joined to perform a rousing, majestic concert of sacred music.

We are pleased that all Bethany students in grades 6 through 9 sing in choir and that nearly three-fourths of juniors and seniors choose to continue in upper-level choir with 42 participating second semester in the touring choir. Additionally, more than 100 students in grades 6-12 play in an orchestra or instrumental ensemble. Indeed, a central goal of Bethany's music program is to equip students to serve their congregations through music.

The third area is our consistent academic strength. Throughout Bethany's history, our school has been blessed with dedicated, quality teachers.

Bethany students have continued to score exceptionally well on ISTEP+ (Indiana's graduation

Principal's Report continued on page 8

Board Chair's Report

—Eldon Heatwole

Thank you! We are grateful for the tremendous interest and support that Bethany received during 2002-03. I am honored to begin my third year of service as chair of the Board of Directors.

I am most pleased to report on the tremendous progress we have achieved with The Campaign for Bethany Christian Schools. In May we launched an ambitious $4.35 million capital campaign to build six new middle school classrooms, an orchestra classroom, and auxiliary gym. The project will also include adding two high school classrooms, renovating the science classrooms, and expanding the cafeteria and kitchen. In addition, we are creating an inviting new entrance for students and guests at Bethany. We want all students and friends to feel comfortable and welcome as they enter our school.

Bethany has made a concerted effort during the past four years to increase the involvement of alumni, parents, and other friends in the life of Bethany. The campaign is no exception.

This campaign is co-chaired by Bob Steury ('73) and his wife Barbara. We also have a volunteer Campaign Cabinet (see list on page 6) that is actively supporting the campaign through their gifts of time, talent, and fundraising efforts.

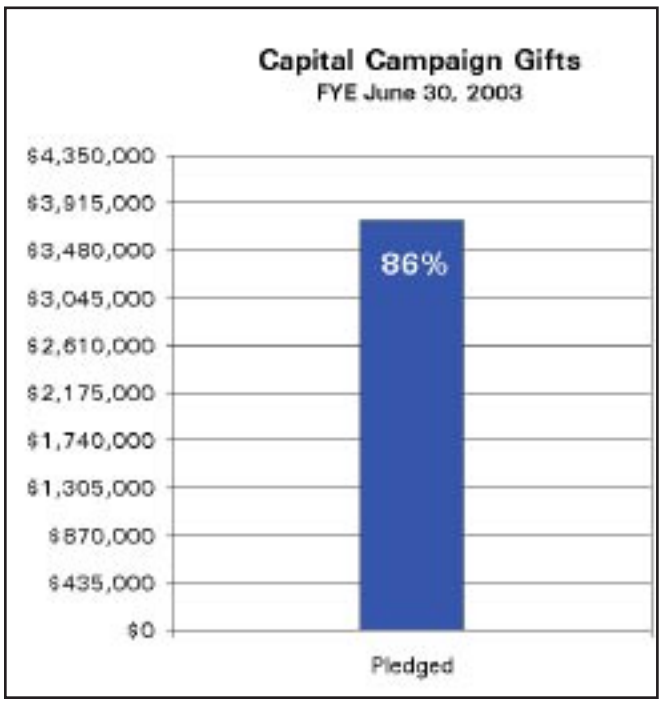

We are grateful for alumni, parents, faculty, administration, and staff who are giving leadership on the Building Committee (see list on page 6). Chaired by Duane Stutzman ('61), the committee has been working with the design-build team, led by DJ Construction in collaboration with The Moake Park Group of architects, to finalize a building design and establish the construction timetable. This plan was presented to a joint meeting of the Board of Directors, the Advisory Council, and the Capital Campaign Committee on September 22. Site work is to begin later this fall, while the fundraising campaign is slated to be completed by December.

We are also grateful to the volunteers who serve on the Advisory Council (see list on page 6). New members beginning in fall 2003 are Sandy Morgan and Rob Steiner. Leaving the Council are Kevin Deary and Allon Lefever.

I am also proud to report that as of September 15 we have raised more than $3.8 million—88% of the campaign goal. We are grateful to God for all the gifts he has bestowed on Bethany and for the many donors who have made sacrificial gifts to the campaign.

Bethany was also blessed in 2003 with continued financial strength. For the first time in Bethany's 50-year history, total charitable gifts exceeded $2 million. Including income for the capital campaign, we received the remarkable sum of $2,061,000 in cash contributions during 2002-03. We are also very grateful for the financial support we received from various Mennonite congregations—an additional amount of $124,000.

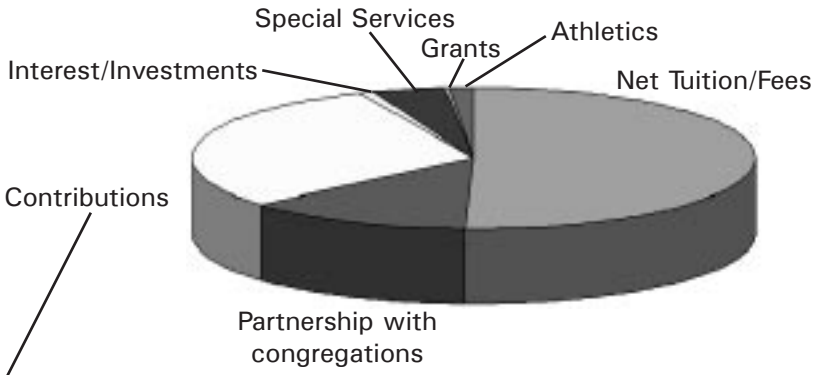

Board Chair's Report continued on page 9

2002-03 Year-End Financial Report: General Fund Unrestricted

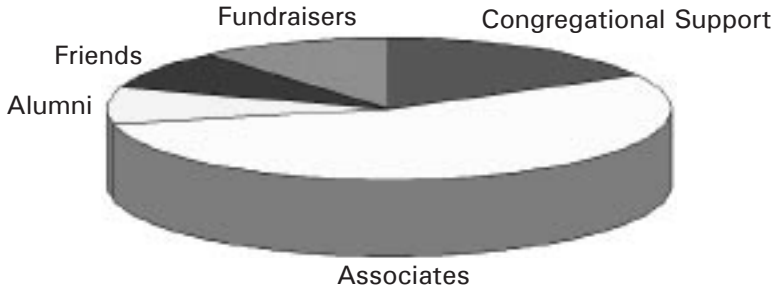

Support and Revenue

Net tuition/fees	$1,248,041
Partnership with cong	$324,551
Contributions	$730,467
Grants	$4,602
Interest/investments	$22,689
Special services	$103,337
Athletics	$33,923
Sub-total (income)	$2,467,610
Net gain/(loss) due to unrealized gains on investments	($33,331)
Total	$2,434,279

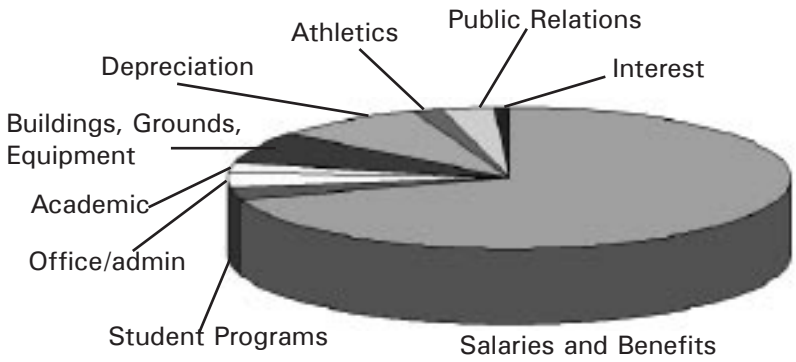

Contributions

Congregational support (operating and capital)	$124,032

qualifying exam) and SAT tests. Once again Bethany's ISTEP+ pass rate was highest among area schools and SAT averages far exceeded those of area schools as well as state and national averages. In addition, David Glick and Justin Heinz were named *National Merit Scholars* for 2003. While fewer than one percent of all students nationally are awarded this honor. two or three Bethany students typically receive this distinction each year.

As our Board chair will report, we have moved forward with an aggressive $4.35 million capital campaign. This campaign will position us for increased enrollment and for our next 50 years of service.

We at Bethany value the privilege of working in partnership with home and church to provide Christian education of the highest quality and to equip young people for Christian discipleship.

Board Chair's Report

(continued from page 3)

This achievement is all the more remarkable since this was a challenging year for Bethany as well as for many families and businesses. We were faced with the challenges of rising health care costs for our faculty and staff, continued weakness in the economy, and a stock market that negatively impacted our endowment—to say nothing of the year's many political uncertainties.

Even with all these challenges, you and others in Bethany's supporting community enabled the school to maintain financial health and stability. Bethany had a small deficit of approximately $27,000 in our $2.46 million operating budget. A large portion of this loss was caused by an unexpected mid-year increase of 28% in health insurance costs. This is only Bethany's second deficit in the past nine years.

Bethany's continued strength in Christian education is due to the tremendous support of alumni, friends, and supporters like you. Again, thanks!
