# A Parent's Guide to Title I

<u>What is Title I?</u>	<u>What supports are provided through Title I?</u>	<u>All Dodge County Schools are Title I Schools</u>
<p>Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that all children have a fair, equal and significant opportunity to obtain a high quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.</p>	<p>The Title I Program offers a variety of supports which may include, but are not limited to additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for parents.</p>	<p>Dodge County Primary School Dodge County Elementary School Dodge County Middle School Dodge County High School Dodge County Achievement Center</p>

# A Parent's Guide to Title I

## What role does Family Engagement play in Title I?

*Family Engagement is an integral part of the ESSA law.  
Districts and schools receiving Title I funding must:*

Ensure that high quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging state academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.

Afford parents substantial and meaningful opportunities to participate in the education of their children.

### **Parent & Family Engagement**

## *For Families:*

You can have a tremendous impact on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- Show your child that you support and value his or her education
- Be able to closely monitor your child's progress
- Build stronger relationships between home and school
- Provide valuable input about school-wide programs

Research shows that students whose families are engaged perform better academically, socially, and behaviorally. Be sure to become involved in your child's school by:

- Communicating regularly with your child's teacher
- Attending academic-based family events and parent-teacher conferences
- Volunteering at school
- Joining Parents/Teachers/Community (PTC)
- Providing input concerning the Title I program at the school

### ***What is Title I?***

DCMS is a Title I School as part of the ESSA. Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and compact.

## The Connection

What is it?		
The Connection	The Engagement Plan	The Compact
<p>A comprehensive document joining our School Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home.</p>	<p>Describes how our school will provide opportunities to improve family engagement that will support student learning at school and home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members.</p>	<p>Explains what teachers, parents and students will do in an effort to work together to make sure that our students reach grade level standards.</p> <p>Discussed with families during parent-teacher conferences throughout the school year.</p>

The Connection		
How is it revised?	Who is it for?	Where is it available?
<p>The Connection is jointly developed and revised by our school's stakeholders. All families are invited to an annual Shared Decision Making Meeting held each spring. Families review and give feedback on the Engagement Plan, Compact, and Budget, including the 1% set aside for Parent Engagement. All feedback is collected and used to revise this document and improve program plans for the next year. Families also have an opportunity to complete an online Title I Parent Satisfaction Survey that seeks suggestions regarding the plan, compact and budget.</p>	<p>The Connection is for all students and their families. Our school encourages full participation in opportunities described in this document. We provide full opportunities for all parents to participate, including those with limited English, disabilities, migratory children and caretakers of students served in Neglected and Delinquent Centers.</p>	<p>Title I Handbooks are provided to parents and families via school websites, district website and in the Parent Resource Center located in the lobby of the school.</p>
