

LISA Academy North Middle High School

1 LISA Academy Way
North Little Rock, AR 72117
(501) 945-2727

Dear families,

Welcome to a new school year at LISA Academy North Middle-High! I'm honored to join this vibrant community of students, families, and educators. Together, we'll continue building a safe, supportive, and academically challenging environment that inspires curiosity, personal growth, and social responsibility.

Our dedicated faculty and staff are passionate about teaching and committed to student success. We offer rigorous academics and enriching extracurriculars and athletic programs that support every student's unique talents and interests.

As a STEM-C focused, college-prep public charter school, we strive to prepare students not only for academic achievement but also for real-world success. Through advanced coursework, hands-on learning, and a focus on innovation, our students develop the skills needed to thrive in college and beyond. Last year, 100% of the graduating class was accepted to college. We hope this becomes a LISA Academy North High tradition, and strive for students to be successful post-graduation.

We also believe in the power of strong partnerships between home and school. Family involvement plays a vital role in a student's education, and we value your input, support, and collaboration throughout the year.

I look forward to a great year ahead, working together to help every student thrive.

Thank you for being part of our school community!

Best Regards,
Bilal Uygur, M.Ed.
Principal
