Dear families,

Welcome to a new school year at LISA Academy Rogers-Bentonville Elementary! We are excited to begin this journey with you and your child, and I am honored to serve as your principal. Whether you are a returning family or joining us for the first time, we are grateful that you have chosen LISA Academy as your partner in education.

Our school's mission is to provide a rigorous, college-preparatory education focused on science, technology, engineering, and mathematics in a safe and supportive learning environment. Our vision is to equip every student with the essential skills needed to succeed in school, the workplace, and in life. We believe in building a strong foundation for future success—beginning right here in elementary school.

We also understand that meaningful learning happens when schools and families work together. Family engagement is a vital part of our school community, and we value the role you play in your child's growth and development. We encourage open communication and look forward to partnering with you throughout the year.

This year will be filled with exciting learning experiences, opportunities for growth, and milestones to celebrate. Our dedicated teachers and staff are committed to making every day count as we guide your child through a year of academic and personal development.

Thank you for being part of our school community!

Best Regards,
Ismail Dilber, M. Ed.
Principal
