

LISA Academy Springdale School

301 Holcomb Street
Springdale, AR 72764
(479) 717-6464

Dear LISA Springdale families,

Welcome to the LISA Academy Springdale family! We're excited to partner with you in your child's educational journey. By choosing a STEM-C school, you've taken a meaningful step toward preparing your child for academic excellence, personal growth, and future success.

At LISA Springdale, our vision is to empower students to thrive—not only in school, but in life. Through a strong academic foundation, we equip students with the knowledge, skills, and confidence needed to pursue careers in science, technology, engineering, math, and computing. At the same time, we nurture each child's unique interests, helping them discover their passions and grow into well-rounded individuals.

We're proud to offer a rigorous college-preparatory program led by dedicated educators who care deeply about student success. With strong family-school partnerships, we can help every child reach their full potential—both inside and outside the classroom.

If you have any questions or need assistance, please don't hesitate to contact our front office at 479-717-6464. We're here to support you every step of the way.

Thank you again for choosing LISA Academy Springdale. We're looking forward to an exciting year ahead and can't wait to see all that your child will accomplish!

Best Regards,
David Moose, M. Ed
Principal
