

2025-2026 Elementary School Supply List

Students will conduct and submit coursework within the digital learning management system, however they will need tangible supplies for practice and scratch work. We have listed suggested supplies below. It is highly recommended that students have a designated work space that is conducive to learning and separate from where students relax and/or play.

Basic Supplies

school issued chromebook w/ microphone and webcam
cell phone camera or scanner
pencils
erasers
pens
highlighters
pocket folders

loose-leaf writing paper (wide-ruled; primary for K/1)*
composition notebooks (primary for K/1)
headphones
counting items for K/1
ruler for 3-5
supply box or pouch

Optional Suggested Supplies

printer access
Play-doh for sensory play with K
white board and dry erase markers
calendar to keep track of due dates/activities
magnetic alphabet letters for K/1
multiplication and division flash cards for 3-4

construction paper
graph paper*
Post-it notes
