

LISA Academy Online School

21 Corporate Hill Drive
Little Rock, AR 72205
(501) 451-4200

Dear families,

Thank you for taking an active role in your child's education. By choosing a STEM-C school, you've placed your child on a path toward a rigorous, high-quality academic experience that nurtures their potential and opens doors to a bright future.

Our vision is to equip students with the knowledge and skills needed to succeed in both school and the workplace. By fostering interest in fields such as mathematics, science, technology, computing, and engineering, we aim to prepare students for careers that shape the future—and to inspire them to become responsible citizens, leaders, and world-changers.

We are committed to delivering an academically rigorous, college-preparatory education in partnership with families and the broader community. Our mission is to create dynamic, resource-rich learning environments that help students develop the mindset, skills, and character needed to thrive in a diverse and rapidly evolving world.

Family-school partnerships play a vital role in every child's educational journey. We strongly believe that when schools and families work together, students thrive. As your administrative team, we're here to collaborate with you for the success of every child. Please don't hesitate to reach out if you'd like to schedule a meeting to discuss your child's needs. We are here to support you and work alongside you every step of the way.

Thank you for being part of our school community!

Best Regards,
Krystle Hula, M.S.
Principal
