

Interscholastic Participation

Student's Name

Address

Date of Birth

Zoned Public School

District Office Receives From the Parent:

Intent to Participate Form

Proof of Residence (bill from utility company including service address of parent/guardian's name) showing the student resides within the attendance boundaries of the school for which the student would like to participate

Copy of Driver's License

Proof of Insurance Coverage

Proof on enrollment in SC Public Charter School or Home School Association

District Office Receives From the Home School Association/Charter School (Parents must request from the school):

Official Transcript/Grades with Seal showing student resides with parent and grade level

Home School Students Only: Transcript must show the student has attended home school at least one full academic year (prior), not necessarily the immediately preceding year

The student must have been living with the parent/guardian for a full year prior to making application. **If student is currently a home school student, he/she must have been home schooled for one entire academic year prior (not necessarily immediately preceding).**

It is the student's responsibility to know the dates and deadlines relating to initial tryouts/practices and games, etc., and to provide the coach/school/district with any additional information or documentation necessary to verify that the student is eligible to compete.

For sports, SC High School League rules and school athletic policies already in place will continue to be applicable.
