

Policy Confirming Restriction on the Provision of Funds or Other Thing of Value to Students, Parents or Guardians

POLICY STATEMENT

It is the policy of Blue Ridge Academy that Blue Ridge Academy shall not provide any funds or thing of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. Blue Ridge Academy does not and shall not provide, for example, “sign up bonuses” to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with Blue Ridge Academy in order to obtain funds or thing of value from Blue Ridge Academy. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with Blue Ridge Academy for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in Blue Ridge Academy, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student’s education at Blue Ridge Academy, resulting in the individual’s receipt of funds or thing of value from Blue Ridge Academy.
