October is Substance Use & Misuse Prevention Month!

Every October, communities across the country come together to celebrate Substance Use & Misuse Prevention Month—a time to recognize the power of prevention and the positive impact it has on youth, families, and communities. Prevention is about more than stopping substance use before it starts. It's about strengthening protective factors, reducing risks, and building healthier environments where people of all ages can thrive. Decades of research and community experience show that prevention works—and it starts with us.

Here in Griswold, PRIDE is proud to be part of this national movement. We're kicking off the month with our Coalition Meeting on Wednesday, October 8th at noon, featuring a special Resource Spotlight presentation by CHR's Women's REACH program. Later this month, you'll find us collaborating with Griswold Middle School to celebrate Red Ribbon Week, and hosting our bi-annual DEA Drug Take Back Day on Saturday, October 25th, where the community can safely dispose of unused or expired medications.

At Griswold PRIDE, prevention is woven into everything we do—from empowering youth leaders to equipping families with resources, and from supporting schools to strengthening systems of care. This month, we invite you to join us in celebrating the role prevention plays in making Griswold a safer, healthier, and more resilient community. Together, we are United in Prevention!

CONGRATULATIONS!

To our Coordinator for being awarded the
CT Department of Mental Health and Addiction Services
Prevention Advocate of the Year.

Her recognition brings big visibility to the
important prevention work happening in
our small town of Griswold.

Don't Let Medications Lie Around Your Home!

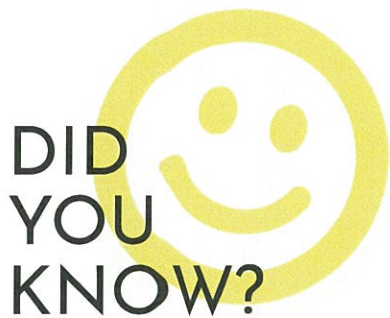

Dispose of all unwanted or expired medications!
