EXHIBIT A

ESTABLISHING AN ALTERNATIVE STANDARD FOR THE ARMED SECURITY OFFICER REQUIREMENT AT EACH DUNCANVILLE ISD CAMPUS

Section 37.0814(a) of the Texas Education Code requires at least one (1) armed security officer to be present on each campus during regular school hours.

Section 37.0814(c) of the Texas Education Code permits the Board of Trustees to claim a good cause exception, and Section 37.0814(d) of the Texas Education Code allows the Board of Trustees to establish an alternative standard to comply with the requirement.

1. The Duncanville ISD has proposed funding for one additional DISD Police Officer in the preliminary 2025-2026 Operating Budget for the district. There are currently three police officer vacancies that the police department is working to fill
2. The position was posted, and applications were accepted. To date, finalists for the positions are being identified, and the hiring process is ongoing.
3. Due to the lack of qualified applicants, the district proposes the following alternative standard: a. The Duncanville ISD Police Department will employ armed Level III security officers, who are not peace officers but are trained as required by statute, according to a 3-year rollout plan encompassing school years 2025-2026, 2026-2027, and 2027-2028, as presented to the board in a closed session.

This plan will be added to the Duncanville ISD Multi-Hazard Emergency Operations Plan (MEOP) upon final adoption.
