A Strong Start to First Semester

The first few weeks of our new semester at ILTexas Private High School have been filled with energy, learning, and community spirit. Students have settled into their classes, reconnected with friends, and begun exploring new opportunities both in and out of the classroom. Teachers are working closely with students to set strong academic foundations, while extracurricular clubs and activities are helping them build leadership skills, confidence, and lifelong friendships. We are excited about the growth we are already seeing and look forward to partnering with you throughout the semester to support your child's success.

Cultural Exchange Through Student Mentorship

Meet Your Mentor Event- August 22, 2025

Our "Meet Your Mentor" program has given international students the opportunity to be paired with local ILTexas students. These mentor-mentee partnerships provide a meaningful way for students to learn from one another, share cultures, and build lasting friendships. Many of our international students are especially excited about making American friends and forming connections that help them feel more at home while also growing in confidence and independence. Encourage your child to join all of the exciting events planned this school year!

Burger Lake – September 13 Mentor Program Kickoff

Our international students will soon kick off the Mentor Program with an exciting day at Burger Lake! This event will bring mentors and mentees together for swimming, games, and a picnic by the water. It's designed to help students build friendships, and start the semester with energy, fun, and support from their peers. Parents can look forward to seeing photos and hearing stories from this special kickoff event!

We are Supporting College Success on Campus!

ACADEMIC CORNER

Introducing ASP (Academic Success Program)

At ILTexas Garland, ASP provides free, personalized college guidance for all students. From applications and essays to scholarships and financial aid, ASP helps families every step of the way.

- **Weekly Sessions:** Students meet with ASP once a week, with extra one-on-one help available by emailing Mr. Pham at bpham@aspdallas.org.
- **12th Grade Focus:** Seniors should begin essays, finalize college lists, and prepare documents (including tax forms) for financial aid.
- **Extra Support:** Free SAT tutoring every Tuesday (4:20–6:00 PM) and Application Parties hosted by ASP and Student Ambassadors.

Stay tuned! Parents and students will receive weekly email updates with upcoming events and reminders.

EDUCATION

*ILTexas PHS Student Jacob Zhu,
August 28, 2025*

STUDENT CORNER

Jacob, our new 10th grade student, shared his appreciation for the food on campus: *"The meals here are much better than my old school in Beijing. The Chinese food isn't exactly like home, but it's still very good. I loved the salmon—we don't have that often in Beijing. I also like cheese and hope to see more pasta dishes!"*

Thanks Jacob! Our team of professional chefs are committed to serving healthy and delicious meals.

DORM RULES & REMINDERS

OVERNIGHT TRAVEL

For overnight trips, students must:

1. Have parent/legal guardian permission emailed.
2. Submit a detailed itinerary and contact information.
3. Be in good academic and behavioral standing.

Check Your Students Grades on Skyward

Parents can view their student's grades and references on the [Skyward platform](#). If you have any questions about using Skyward, please contact Ms. Lin, Assistant Principal for International Students, at YLIN@iltexas.org
