

Tivy Early College High School TSIA Testing Information

TSIA2 will be administered once a month.

Dates are available through the counseling office and testing coordinator

- Preparation for the TSIA2 occurs during ECHS class and advisory time. Students are working on a computer program that is specifically targeting skills that help students be successful on the TSIA2.
- The ECHS counselor will sign students up for each test dependent upon the test that they need to complete.
- Students who do not pass the exam will continue to receive intervention through the computer program during Advisory and retake the test after some intervention time has passed
