Health Department

What is this survey?

The Boone County Hunger Coalition is gathering input from community members to see how our neighbors typically travel to get food and what obstacles are met along the way.

Who is this for?

Anyone living in Belvidere or Boone County.

Why does this matter?

Our goal is to improve the walking paths and sidewalks, as well as walking safety in Belvidere to help people easily access food. We also want to promote walking in our city.

How do I complete it?

Easy! Scan the QR code with your phone's camera app and fill out the form!

Don't want to use your phone? Stop by the Health Department to pick up a paper copy.
