

ANNOUNCING THE HUMANITAS SERVICE AWARD

Recognizing Student Leadership Through Service, Compassion, and Action

Laguna Blanca is proud to introduce the **Humanitas Service Award**, a new recognition program celebrating students who uplift their communities through service, compassion, and leadership rooted in empathy and action.

This award replaces the currently paused Presidential Student Volunteer Service Award, continuing our tradition of honoring students who make a meaningful difference both on and off campus.

Eligibility:

The Humanitas Service Award is open to all students in **grades 7–12**. To qualify, service must be **unpaid, voluntary, and benefit others**. Hours completed for payment or course credit do not count toward the award.

Award Tiers:

- **Bronze Humanitas** – 30+ hours of service
- **Silver Humanitas** – 75+ hours of service
- **Gold Humanitas** – 150+ hours of service

Through this program, we celebrate not only the hours our students contribute, but the **spirit of humanity and connection** that drives their work. The Humanitas Service Award encourages students to lead with empathy, engage with purpose, and build a stronger, more compassionate community.
