

VOLUNTARY BENEFITS

Open Enrollment closes on Nov. 17th!

Aflac is **NOT** medical insurance. These plans pay tax-free cash benefits to our staff when medical events arise. This money can be used to offset out-of-pocket medical expenses, incidentals, and everyday living costs.

Through AACOM, you are able to access Aflac at a highly reduced rate with minimal underwriting. All employees are encouraged to take advantage of this offering.

AFLAC PLANS

Accidental Injury

In the event of an unexpected injury, Aflac can help protect your personal finances from uncovered medical expenses. We provide individuals and families affordable insurance that helps with expenses that may not be covered by major medical insurance. Aflac pays cash benefits directly to you so you can use the cash for anything you want.

Hospital Indemnity/Maternity

Aflac Choice offers our best selection of hospital-related benefits to help with the expenses not covered by major medical, which can help prevent high deductibles and out-of-pocket expenses from derailing your life plans.

Cancer

Aflac Cancer Protection Assurance helps cover new innovative treatments with benefits that really care for you as a whole person. From prevention to recovery, Aflac is with you every step of the way. Our benefits are built to see you all the way through cancer treatment and they'll stay with you for life after cancer.

Short-Term Disability

What if one day, you become disabled and you can't go to work. How would you pay for the expenses of daily life such as monthly mortgage or rent, groceries, and your utilities? The financial obligations can be overwhelming as bills keep coming even if you're unable to work. That's where Aflac's short-term disability insurance policy can help make the difference. It is a source of monthly income you may need to help take care of your bills while you take care of yourself.
