Two-Step Registration Process: Register/pay on Total Registration & Join AP Classroom/Exam on MyAp College Board

The following two steps can be completed in either order, but both must be done to ensure your AP Exams are properly registered and paid for.

- 1) **Register for AP Exams on Total Registration(TR):** <http://www.TotalRegistration.net/AP/050657>
 - a) Students must answer all of the required questions. ***We strongly recommend that the parent/guardian and student are both present while registering to ensure that the correct exams are ordered and the STUDENT name is entered correctly.***
 - b) Pay at the time of registration or by the payment deadline, **Monday, Nov 3, 2025.**
(Payable by credit or debit card, or by mailing a personal or cashier's check, or money order to TR)

- 2) **Log in to MyAP and [join](http://myap.collegeboard.org) your AP Classroom(s):** <http://myap.collegeboard.org>

If your teacher has already given you a join code and you've joined the AP Classroom, you don't need to join again. However, you should still check your College Board account to make sure it says 'Yes' for taking the exam—some accounts show this by default, but not all, so it's important to confirm.

- a) If you have NOT received a join code from your teacher, you can find the same join code in your PDF from Total Registration after you have registered.

(NOTE: Joining the College Board AP Classroom alone does NOT register the student for their AP Exam(s). Student must also register and pay for each exam in Total Registration.)

Exam Location: Concord High School
