The New York State Education Department requires all school districts to disseminate a Digital Equity Resource Survey. This survey aims to ensure students enrolled in public schools have access to digital resources. We kindly ask that you complete this survey for your enrolled child. It is quick and will provide us with valuable information. The information you submit is confidential and will only be shared with NYSED. The survey can be accessed via the parent portal. Please see link below.

We would greatly appreciate it if all caregivers could complete this survey by Monday, **December 1, 2025**.

Thank you in advance for your support.

Sagrario Rudecindo-O'Neill, Ed.D
Assistant Superintendent of Curriculum and Student Support

Directions for accessing the survey are listed below.

Directions for Accessing Digital Equity Survey
