

# KINDERGARTEN NEWS

# NOVEMBER

## FROM THE TEACHER

As we enter Quarter 2 of Kindergarten we are beginning to go deeper into academic skills.

Some skills to practice at home include:

- Review heart words
- Practice correct formation of numbers 0-20
- Practice correct formation of all letters
- Practice tying shoes
- Practice putting on winter gear by self

## WE ARE LEARNING

**Literacy:** We are focusing on describing characters and retelling stories with a beginning, middle and end. We are beginning to blend CVC words and spell words phonetically.

**Science:** We will be studying and comparing animals (worms, bugs, and fish).

**Math:** We will continue to practice counting and comparing sets of objects to 10. We will be learning about shapes and describing shapes by their attributes.

## REMINDERS

The weather is changing! Please have students wear boots, coats, hats, and gloves for recess and have sneakers in their backpacks for gym. Thank you!

## IMPORTANT DATES

**November 4:** No School

**November 20:** STEAM Night from 5-7pm

**November 26-28:** No School
