

URSULINE ACADEMY OF DALLAS

## Ursuline Academy of Dallas Financial Assistance Program for 2025-2026

The Ursuline Academy of Dallas Financial Assistance Program is designed to offer assistance to students who are in need of financial support. In 2025-2026, the Academy will grant approximately \$1,980,000 in financial assistance and merit awards to 213 students, representing approximately 24% of the student body.

Admission to Ursuline and the awarding of Financial Assistance are two separate decisions. If a student is accepted, Ursuline then determines the student's need, the family's ability to pay, and the availability of financial assistance funds. When a student demonstrates need, it is the intent of this program to share the cost of education with the student and her family.

### Eligibility

To be eligible for assistance, a family/student must demonstrate financial need, meet the entrance requirements of the Academy, and be current with all financial obligations due.

### Renewals

Every effort will be made to award some tuition support to eligible candidates. Students may be eligible for a grant each of their four years at Ursuline; however, **the students must apply each year**. Awards are not automatically renewed.

### How to Apply

Ursuline uses the Grant & Aid Assessment through FACTS, a third party organization which analyzes the financial situation of applicants based on a number of factors. Families applying for financial aid must submit their FACTS Grant & Aid Assessment online at:
