Summary of Action

School Governance Council

9/25/25

The meeting began with a motion to approve the agenda, which was successfully passed. Members then reviewed and approved the minutes from the previous meeting. A strategic planning session led by Principal Wilkins resulted in the development and approval of a comprehensive Strategic Plan. This plan included goals for academic growth in Georgia Milestones, ELA, and Math; improvement in attendance proficiency; reduction in school suspensions; and full utilization of charter funds. High-level actions were outlined to identify striving students, enhance reading achievement programs, and monitor student progress. Charter fund expenditures were scheduled to be outlined by October 1, approved by October 27, and completed by April 15, 2026. Additional action items focused on strengthening community connections through improved student attendance, monitoring suspensions, and conducting an employee satisfaction survey. The meeting concluded with a motion and approval to adjourn.
