

Overview

This guide provides you with a step by step guide outlining the navigation and use of the parent portal. The eSchoolData Parent Portal is designed to increase your involvement in your student's education. The eSchoolData Parent Portal allows for instant access to information that will enhance your involvement with your student's academic career.

Online Registration/How To Register

Register for the parent portal by scanning the QR code to fill out the registration page. Enter the required information on the Account Information screen, then **click Create Account Information**.

Enter the required information on the Personal Information screen and **click Create Personal Information**.

Complete the required information in the Add Student section of the Student Information screen and click Add Student to the above list. After adding your students, **click Finish Registration!**

Note: Only one student is required to verify your identity. All your students will be listed on the account when approved.

A confirmation message will display stating that the Parent Portal registration has been successful. Once the account request has been approved by the school district, an email will be sent from the school district to the email address listed on the registration form. The account approval email will contain their **User ID** and a **temporary Password**, along with a link to activate the account.

Logging In

Once the email address is verified, **click Login** to login to the account using the provided credentials. Upon first login, the District's Terms of Use should be read. Click I Agree at the bottom of the Agreement to proceed further.

Navigating the Portal

A successful login displays the Portal Homepage, which allows you to see a list of your Student(s), view District/School Announcement(s) and access any District/School Document(s). On the left side of the screen, You can view a log of your Recent Activities. On the top right side of the screen, the icon bar displays icons for Home , My Account , Help and Logout. Click on a hyperlinked Student ID Number in the list of My Students to view that student's information pages. Click the Inbox icon or the New Message icon to access the Messages Inbox for the specified student.

Elem Report Card Tab

Click on the Elem Report Card tab to view the student's elementary report card. Click Print to print an unofficial Elementary Report Card directly from this screen.

The screenshot shows the eSD Parent Portal interface. The navigation menu at the top includes Home, Profile, Attendance, Schedule, Report Card, Buses, Gradebook, Progress Report, Elem Report Card (highlighted with a red box), Custom Elem Report Card, and Standards-Based Report Card. The main content area displays a report card for Jack Bankston, a 1st grade student in English Language Arts. The report card includes a summary table for attendance (Absent: 0, Tardy: 0) and a standards-based performance table for M1 and M2 periods. The standards table is divided into two sections: Behaviors that Promote Learning and Personal and Social Development. The Teacher Comments section contains a typed comment: "Fun to have in class, needs a bit more self-control." A red box highlights the Print button in the top right corner.
