Arcadia Elementary 2025-26

Arcadia Elementary School

Vision

Be a premier, innovative school system where students graduate fully prepared for life and career success

Mission

Arcadia Elementary School is dedicated to educating all students to the highest levels of academic achievement, to enable them to reach and expand their potential, and to prepare them to become respectful, resourceful, and responsible members of society.

Beliefs

* maintain a climate of two-way communication *foster a system wide culture of innovation * maintain an inclusive environment and high expectations * every student should thrive in our district *Continually improve academic achievement through quality instruction * be accountable

Student Success

Objectives

- Increase student reading and math proficiency and growth for grades K-5.
- Students should “produce, review, and revise authentic artifacts that include multimedia using appropriate digital tools.

Critical Initiatives

- Implement an instructional model that produces measurable outcomes for all students
- Use data-driven instructional decisions to enhance teaching practices and improve student outcomes.
- Arcadia Elementary will enhance digital literacy and creativity for students in grades K–2 by integrating age-appropriate technology tools and instructional strategies that foster digital

Safe and Supportive

Objectives

- Decrease chronic absenteeism.
- Provide social emotional learning support.

Critical Initiatives

- Promote instructional consistency, student engagement, and overall school productivity.
- Create a sense of advocacy for students.
