Attention Valley Forge students! There will be a college and career fair in the media center on October 28th from 4th through 7th periods. We have over 20 universities attending plus representatives from the Joint Apprenticeship Training Center, Polaris Career Center, Ohio State Mansfield, Ohio Technical College, the Air Force, and Tri-C. Make sure you stop by and check it out on October 28th.

Work permits are to be turned into student services. Please make sure to have the form completed and then turn it into student services, not the main office. Thank you

Attention Patriots: Clinic news

When you are ill, please get a pass to go to the clinic and call your parents from the CLINIC PHONE. The clinic staff will always let you call your parents. This way everybody knows when and where your pickup will take place. This will stop all the confusion and ease the frustration for everyone involved.

Hello Patriots! don't forget to turn in your filled-in Patriot Buck to Student Services if you receive one from a staff member for being respectful, responsible and ready!

Valley Forge Patriots are responsible, respectful, and ready to learn!
