

## **Challenging Behavior Reporting Form**

This form is not required by law or policy but serves as a model challenging behavior reporting form that local and regional boards of education may adapt and adopt.

### **Instructions**

This form is for **students, parents or guardians of students enrolled in the school, and school employees** to report any alleged challenging behavioral incidents. Challenging behavior is behavior that negatively impacts school climate or interferes, or is at risk with interfering, with the learning or safety of a student or the safety of a school employee. This form should also be used to report alleged bullying incidents, meaning: unwanted and aggressive behavior among children in grades kindergarten to twelve, inclusive, that involves a real or perceived power imbalance.

Complete this form electronically, or in writing, or go to your school climate specialist (principal, vice principal, or other certified administrator) who will assist you with completing this form. All completed reports require a response from the school climate specialist, and every student, parent or guardian, and school employee **who completed this form** will receive a copy of the "Response Process(es) Notification Form" describing the action steps taken, within three (3) school business days after an assessment has been completed.

The school climate specialist will assess the facts of a challenging behavior incident and complete the "Response Process(es) Notification Form" (located on page 5 of this document). A confirmation of receipt of the "challenging behavior reporting form" will be provided to the individual who completed this form within **three (3) school business days**, and the behavioral assessment will be finalized within a reasonable amount of time.

**If this is an emergency, and you feel that you or someone else is in imminent danger, please call 911, or your municipal police department.**
